# **In Dedication**

**Mr. Robert C. Anderson**

Robert Christian Anderson, affectionally known as Bob, Bobby, and Mr. "A," was born in Manti, Utah. He graduated from Manti High School, attended Snow College, earned his B.A. from BYU and received his Master's from UNLV.

As a child, Mr. "A" wrote plays and produced them on the coal shed in the backyard. He studied magic from a mail order kit and walked wooden fences around the neighborhood to prepare for a (never realized) job as a circus tightrope walker.

After serving in the Army during WWII and managing lodges in several national parks, Mr. Anderson settled into a teaching career. He has coached many students to national competition and has earned the honor of being one of the "Five Most Outstanding Drama Coaches in the US."

Mr. Anderson has taught at Valley since it opened. In that time he has devoted himself to his students, their productions, and tournament competition. For his efforts in and beyond the classroom, it is our pleasure to dedicate the 1984 *Valhalla* to him.

# FIGHT SONG

Fight, fight, fight, for the scarlet  
and white and lift our banners  
to the sky:

Fight, fight, fight, until victory's  
in sight for dear old Valley High.

Go, go, we will conquer the foe:  
every Viking true is here to do or die:

Win, win, win, root 'em on, root 'em in:  
cheer for Valley, we're for Valley:  
dear old Valley High!

# ALMA MATER

Where the purple hued Sierras  
Touch the desert sky,  
Waves the White and Scarlet banner  
of our Valley High!  
From the Sun we took the Scarlet,  
From the Clouds, the White!  
May our emblems wave forever  
Bold and Honor, Bright!  
Like the Tall Pines we'll grow taller  
As the years go by.  
Let us help fulfill the promise  
of our Valley High.  
Let our Hearts warm like the desert,  
As we glorify our endearing Alma Mater,  
Long live Valley High!

# NOT EVERYONE

# CAN BE A SENIOR!

Valley High School was established in 1965 and since then has undergone many changes. Students have changed their dress from long hair, "mod" clothes, and love beads to Levi 501's, mini skirts, and the popular "New Wave" look. Along with a change in clothing has come a new version of slang which replaces "peace, man" with "hey dude, what's happenin'?" and "groovy" with "totally awesome!" It can definitely be said that "the times, they are a changin'."

Students this year had the usual variety of courses to choose from. Of course, the inevitable computer invasion established many new computer and business classes.

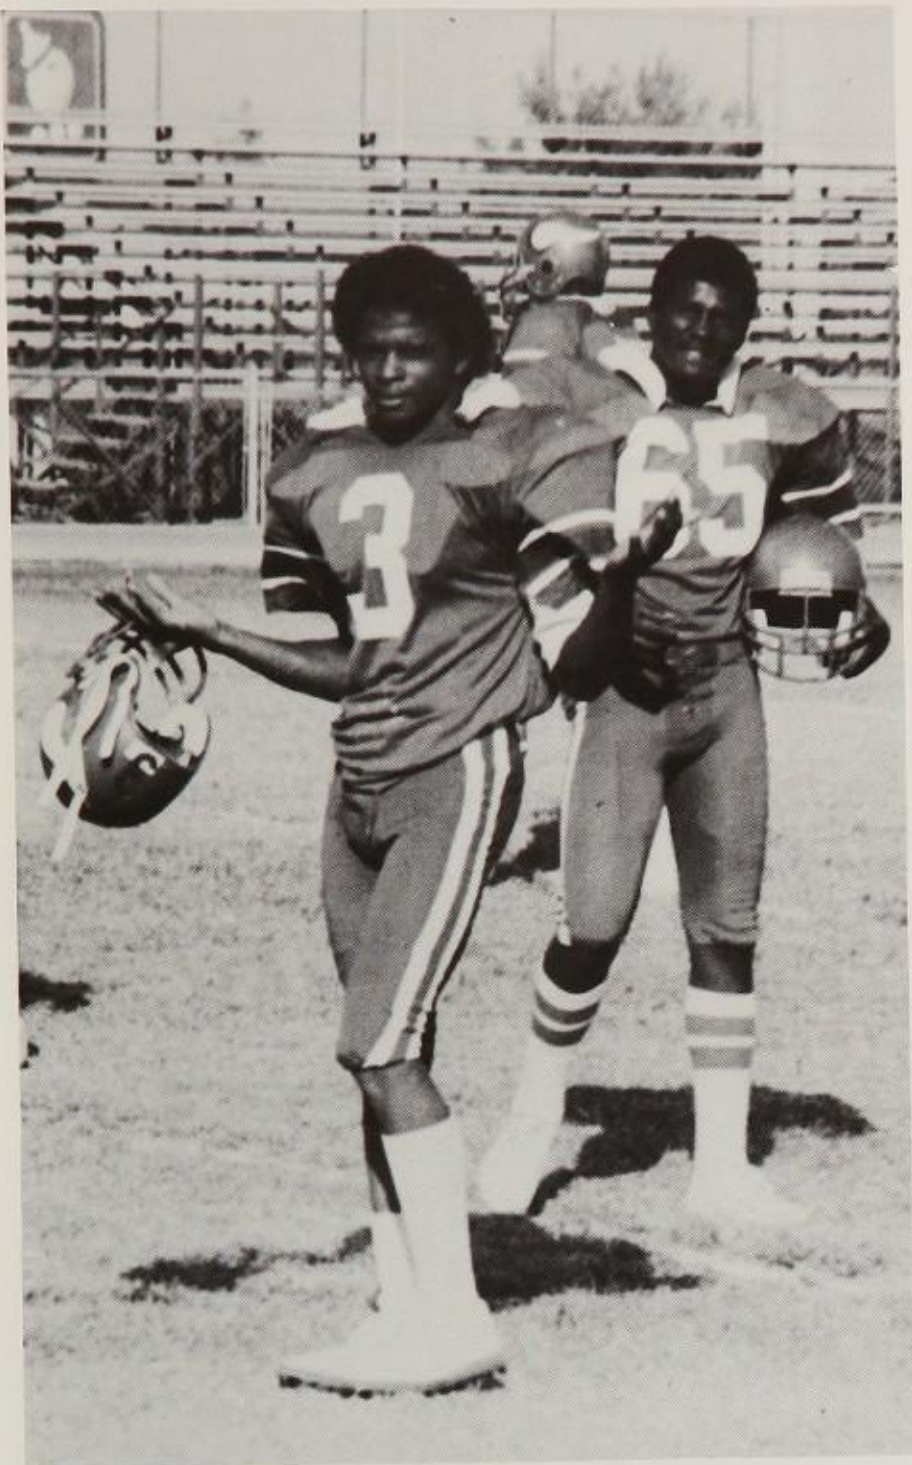

In the past, many seniors were allowed to take only four courses, but the policy has changed. Seniors, amid many groans and complaints, had to take full class loads unless they qualified for a reduced schedule.

It was not unusual to see true Vikings flaunting every shade of red and white. Buttons with colorful designs and spirited slogans, such as "Born to Soar, Class of '84" and "We've Got the Vike Pride," decorated enthusiastic Vike's jeans and t-shirts. On Fridays before the big games, these were the identifying marks of true Viking fans.

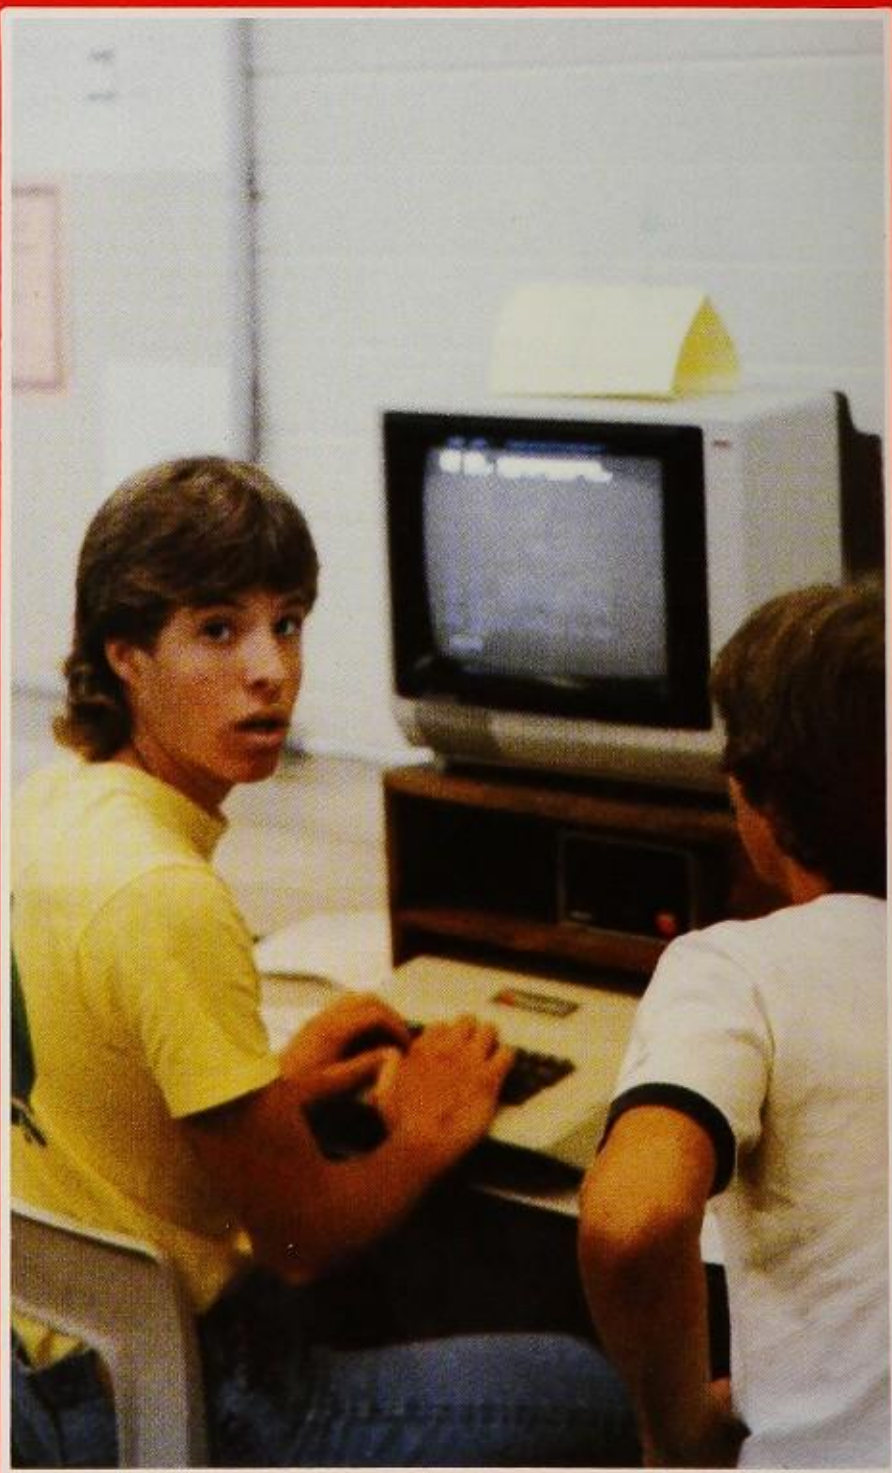

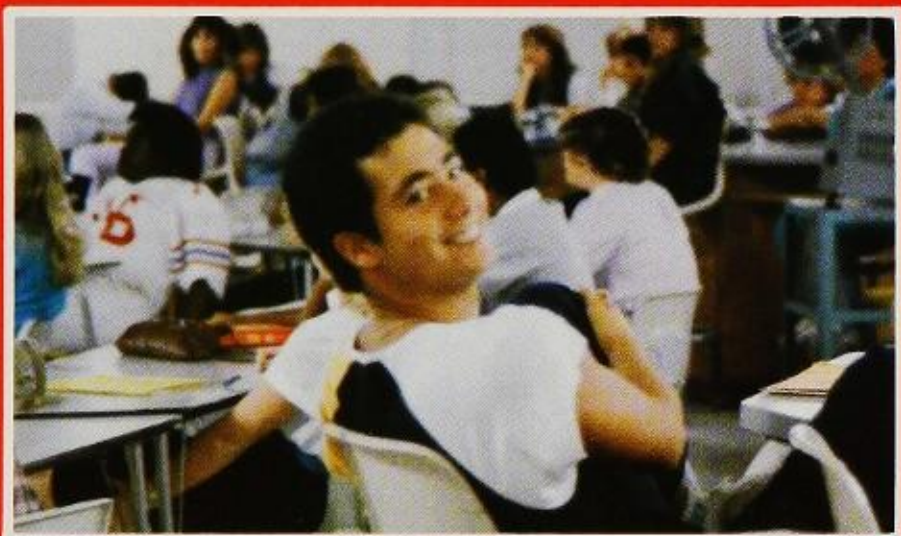

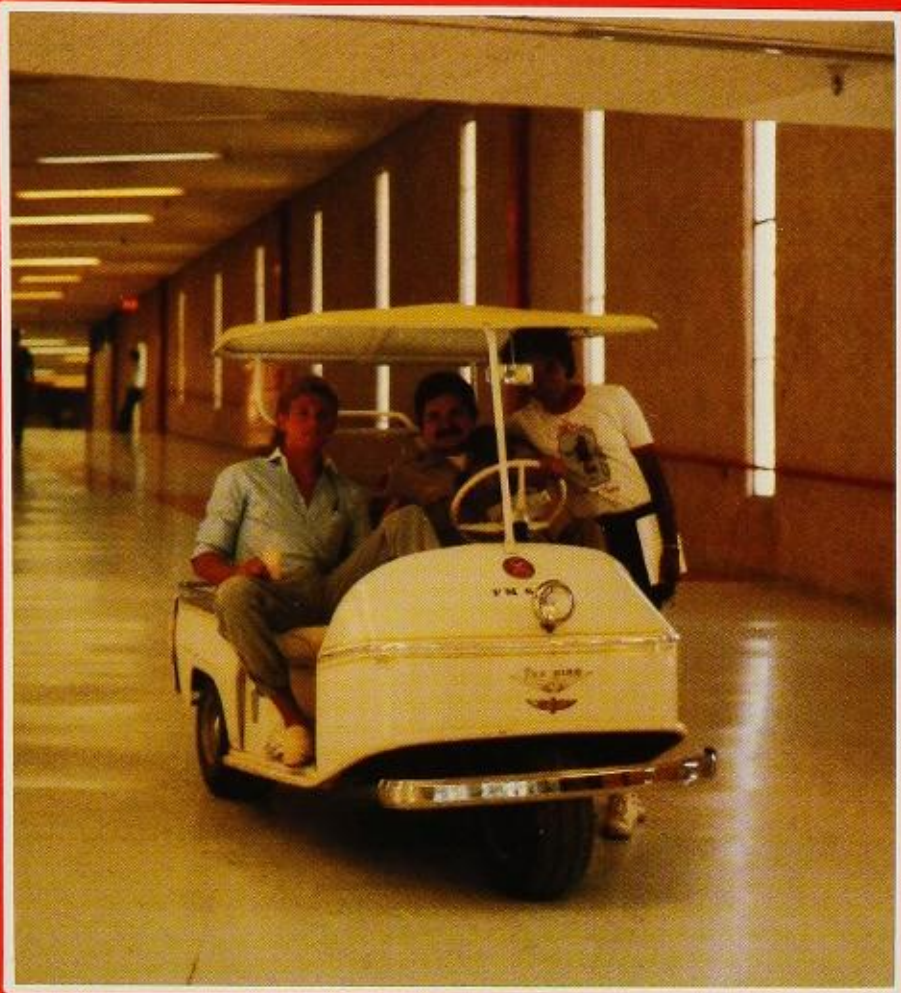

Not everyone can be a Viking!

# IB Students Study, Work

Valley High school is one of 74 high schools in the United States to have a prestigious I.B. program. The program is designed for students who are willing and able to seriously dedicate their time to a solid course load of college preparatory classes. The teachers demand extensive studying and effort from their students to prepare for the Switzerland-based International Baccalaureate tests. The extremely difficult tests allow students who pass them to attend universities with a sophomore status.

# Knowledge, Quick Recall

Do you know who the 16th vice president was? How about Nebraska's state motto? If not, ask a Varsity Quiz member. The 1983-84 Varsity Quiz Team was undefeated for the second year in a row. The VQ team since 1982 has won 14 games straight, and they really deserve that record. The team drills Monday through Friday from 1:30-3. They must know things from Roman mythology to state capitals.

Top team members Melinda Gushwa scored 255 points, Team Captain Naomi Super scored 235 points, and Mike Sewell scored 185 points. Varsity Quiz may sound like a lot of hard work, but there are some fun times. Once while a game was going on, Melinda Gushwa spilled water all over the table. Naomi Super thought a baseball weighed three pounds.

To get ready for a match, the team drills intensely during a mock game. Before the game, no member talks about Varsity Quiz; they discuss anything but the game. This keeps the team's nervousness to a minimum.

Team Coach Judith Granese said, "I always tell my team that to win, they have to *want* the win and to 'ask' to play to the best of their abilities. If they ask to win, they are asking that the other team lose, — that's selfish. To be the best, they should play the best." The team quote was "I want ..."

# Foreign Exchange Students Note

Tanja Hetzer is a foreign exchange student from Switzerland, and she lives with the Cotton family. She said of Michelle Cotton, "We have become like real sisters and best friends. I was lucky to get to live with such a nice family."

When comparing Valley to school in Switzerland, Tanja stated, "Our schedule was different every day. Sometimes we only had school in the morning; sometimes all day."

Katarina Kinnunen, better known as "Katti," is a bright young exchange student from Finland. Katti is most interested in figure skating, and she skates every morning before school with her two American sisters Michelle and Debbie Reed.

She feels school is more fun here than in Finland because of all the extra-curricular activities.

Tomoko Sasahara comes to Valley from one of the most technologically advanced countries in the world. She says, "American schools are really easy compared to my girls' high school in Japan."

The major difference Tomoko has found in America is the family life: "In my country, the mother is the strongest figure in the home. The mothers are very cold to children. But here, the American father is stronger, and the mothers are too sweet with their children."

Gaelle Sence-Corvillian is from Paris, and she will return to France for her last year of high school after graduating from Valley. She says about school in Vegas, "To tell the truth I really prefer my school in France; it is a small private school, and we absolutely know each other and have very close relationships with our instructors. The one thing I think is great here is the spirit of the school."

# Life Style, Education Differences

**Hector Amayizca**

**Timy Lassooy**

**Ann Olsen**

Hector Amayizca feels that high school in his native Mexico are not as well organized as they are here. He does claim that his schools are harder.

After he graduates from Valley, Hector plans to return to Mexico to study veterinary medicine. He is still uncertain whether he will choose that field for his career.

Ann Olsen comes to Valley from Norway, and she stays with the Mattson family. When Ann finishes her education, she hopes to work at the Norwegian Embassy.

Some of the favorite things Ann enjoys while living in Las Vegas are the 24-hour shops, the weather, and the family she lives with.

Ann states, "I would absolutely recommend American youths to become exchange students. It is a great experience, and you learn a lot."

Timy Lassooy is from Finland, and he is staying with the Singer family. His favorite sport is tennis. He enjoys playing at the Singer's court, and he has been seeded #1 on the team at school.

Timy feels that there is a big difference between schools in Finland and those in the U.S. Schools in Finland demand more academic effort; Timy enjoys the extra-curricular activities here that are not available in Finland.

**Not Pictured — Thorsten Trenkner from Germany**

Thorsten Trenker came to the United States to find out more about the "Land of Opportunity," and the traditions of its people. He has stayed in both Seattle, Washington, and Las Vegas. Thorsten stated, "People in the U.S. are very nice; everywhere I went, I was welcomed with open arms. I have had very exciting experiences touring Montana, coming to Las Vegas, and sharing Christmas in the American style." He continued, "I will be staying here in Vegas with my aunt until graduation. I am looking forward to this experience because we have no such ceremony in Germany. I am sure this will be one of the most memorable events of my life. I am thankful for the great opportunity that was given to me. I enjoyed being here. Thanks!"

The *Sun* Youth Forum provided an opportunity for the students of the Clark County School District to express their views on subjects related to school, county, state, and nation. Interested Vikings responded to an announcement seeking candidates for the Forum. Once selected, students were assigned a topic area. After some thought and preparation, the students spent an entire day discussing their designated topics with students from the other schools assigned to the same area of discussion. At the end of the session, students from each group selected one person to summarize their discussions. Michelle Kennedy was selected to summarize her discussion of "School Daze" on KLAS TV 8. Sponsored by the Las Vegas *Sun* Newspaper, the *Sun* Youth Forum allowed the students of Clark County to be heard as well as seen. It also helped expose the community to some thoughtful insights of problems facing us today as seen by our students.

Mu Alpha Theta is a group of mathematically gifted students. The members must maintain grades of B's or better in classes of higher math beginning with geometry. The club serves to tutor students with lower math classes who are referred to the organization by their math teachers, and these students compete in various math contests. Their adviser, Mrs. Wilson, gives the support and cooperation they need to continue their mathematical talent.

Being a student body officer takes more time and energy than writing a speech. It's the courage to stand in front of a student population of 2,400 knowing that 4,800 eyes are looking at you. "Good morning, today is . . ." This morning ritual, familiar to everyone, was one of the many duties of the student council. These individuals have devoted a tremendous amount of time making Valley a more enjoyable place.

The group's goal was to bring about communication and unity between administration and students. In striving to meet this goal, they were effective in encouraging students to take advantage of the opportunities to get involved at Valley.

Student body officers, class officers, executive and honorary members were required to attend a leadership class held at 6:30 a.m. This early bird class was under the direction of Mr. Gene Butler, the student council adviser. The time in class was utilized in planning and organizing school activities, such as Homecoming and assemblies. Students received both a grade and a credit for attending the class. All members of the class were enthusiastic individuals who were motivated by their desire to promote spirit throughout the school.

Led by the student body officers, this group represented some of the most dedicated students in the school.

Any member of National Honor Society will tell you, "nothing is impossible." NHS is a group of academically talented students who maintain a high grade point average and are also busy with community and school services. The members visited the Las Vegas Convalescent Home on a monthly basis and gave their lunch period once a week to aid students with their school work in a tutorial program renamed "Cram Club." With the guidance of Mrs. Reed and the officers, NHS was a very enthusiastic organization.

**"A genius is someone who aims for what no one else can see, and hits it."**

National Merit is a non-profit organization devoted solely to scholarship activities. Students from any of the high schools in the 50 states participating are allowed to enter. Only 5,300 Merit Scholarships are awarded. To become a semifinalist, the student must enter the merit program by taking the PSAT and NMSQT in their junior year. This test serves as a screening device to narrow the number of students in competition for awards. These semifinalists then have an opportunity to go on to the scholarship competition. The semifinalists are a group that are representative of the outstanding students nationwide. They are the highest scorers within each of the 50 states. This year Valley High School was honored to have more students placed in the semifinals than any other Southern Nevada high school.

"In the simplest terms, a leader is one who knows where he wants to go, and gets up and goes."

— John Erskine —

Boys' and Girls' State is an important and prestigious program which incorporates government and leadership in a week long seminar held in the mountain surroundings of Carson City and Fallon. It is sponsored by the American Legion. Students from various high schools are selected by their counselors based on individual qualities. Once they are chosen, they prepare to attend the session which takes place during the summer. Cities and counties are simulated to make up the functions of an entire state. At the seminar, students are elected into offices: mayors, senators, governors, and all other positions that exist in real government. They then discuss issues and answers which lead to the formulation of mock laws. This week of government training helps the students in taking an active and important role in their future positions as leaders in society.

"This year the Junior Class has been really spirited and progressive. We've sponsored many events throughout the year and tried to apply more student involvement.

The main goal was to get Juniors interested and excited about Valley so we can be the most 'outstanding' Senior Class in Valley's history next year."

House key, car key, OUR KEY. The Valley High School Key Club is a community service organization. Key Club stands for Kiwanas Educate Youth. The Kiwanas sponsor the Key Club and show their support by sending Bill Wells and Rick Golightly to all club meetings and annual induction ceremonies. The members keep themselves busy with various projects throughout the year, such as car washes and bake sales. The major events are, as Ms. Granese would say, "wonderful." They raised money for Opportunity Village and also participated in the Second Annual Meatball Festival. Many of the projects are done during the holidays. At Thanksgiving they collect canned food and paper goods to make baskets for cancer victims' families. At Christmas the members and the Kiwanas visit a nearby convalescent home. For Valentine's Day and Easter they throw a party for neglected children at St. Jude's Ranch and for handicapped patients at Desert Development Center. Overall, Key Club International is an organization of 49 sensitive and caring students.

Nevada All-American musicians meet Miss America.

1984's Concert Band was a very talented group of musicians; playing only contemporary concert music was their speciality. They played at the Christmas Concert in the Little Theatre and for Valley's open house. They also had the honor of playing at the American Association of School Administrators convention; there they hosted a band from Arizona.

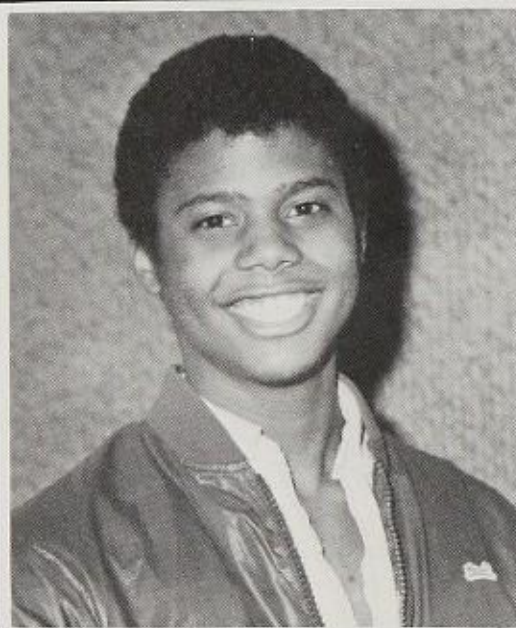

To get into Concert Band you must be in Marching Band and audition. Robin Simpson, a three-year Concert Band member said, "In my years in Concert Band, I have learned that musicianship is an important part of Concert Band." Valley and Concert Band made beautiful music together in 1984.

# Performs at Half-time Review

The Valley Viking United Marching Machine was a great part of Valley's spirit. The band performed at all home games and zone games, and they participated in the assemblies and the spirit stick competitions.

At the beginning of the year, they participated in a festival in California and placed well. In October they represented the school at the Half-time Review at the Silver Bowl.

Many hours of early practice on both music and routines, under the direction of Mr. Al Smith, provided Viking fans with great performances that helped raise the spirit levels and entertained spectators.

Valley's Jazz Band was a very important part of the 1984 music group. Hosting Chaparral's band, they held a concert in the Little Theatre; they played at Open House; and they participated in Valley's Christmas Concert. In February the band competed in Flagstaff, Arizona, and represented Valley with pride.

To get into Jazz Band is not an easy task. After an audition, you are accepted into the group. By learning to play all types of upbeat tunes, Jazz Band members learned to appreciate a new type of music.

"When I soloed, I had the opportunity to express my feelings through music," said Tomiko Lindner.

The above quote expressed the feelings of the Jazz Band throughout 1984.

Have you ever wondered who painted all the murals around school? They were painted by the talented students known as Students for an Artistic Society. This club enjoyed drawing, painting, and doing anything that had to do with art.

During the '83-'84 school year SAS reached many goals. They painted the senior mural "Born to Soar," the new science mural on the ramp, and they also painted Valley's annual Christmas card which was placed on the corner of Vegas Valley and Eastern.

Pat Carter, vice president of SAS said, "This group has an unquenchable thirst to beautify Valley and the community." If you looked around Valley, you would have seen how true this was.

Valley High's Barbershop Quartet was one which broke this stereotype. Besides entertaining us at the assemblies, the Barbershop Quartet appeared for 5,000 Boy Scouts.

Honor Choir members were students selected for this special group based upon their outstanding abilities in and dedication to vocal music. The group represented the school in various performances to bring honor to themselves and the home of the Vikings.

# ICC Represents Involvements

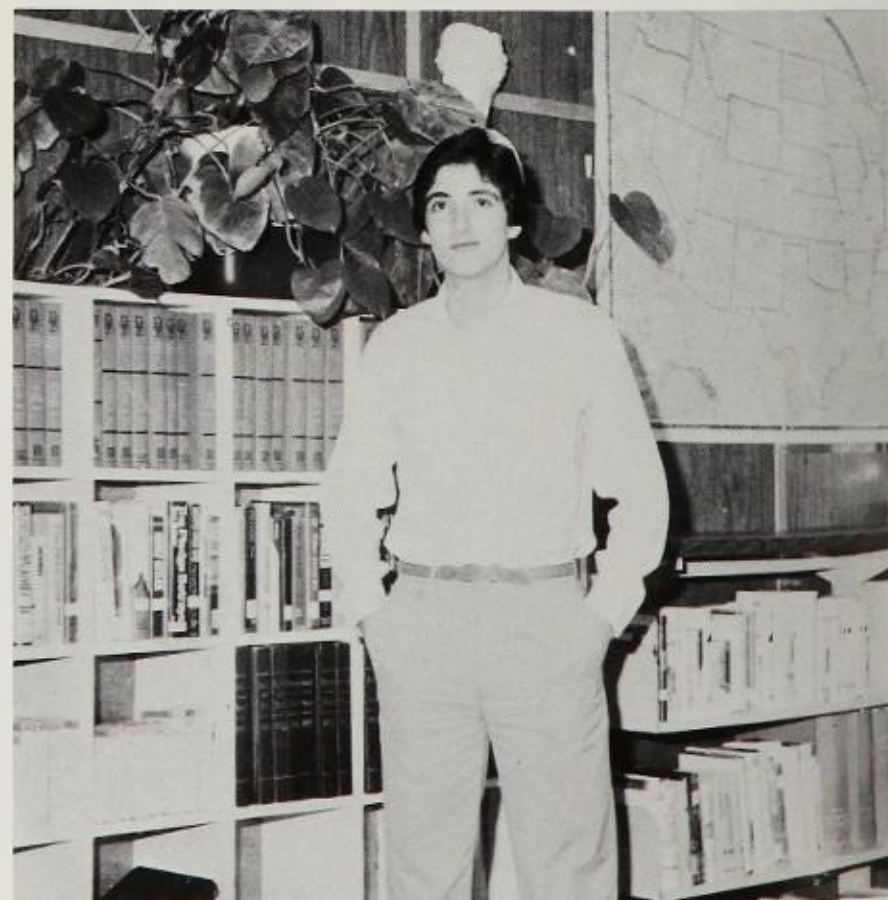

Andrea Sommer, Rachel Frazier, Diane Vireday, John Brunkow, Scott Stavrou, Margaret Splawn, Melissa Maasch, and Melvin Campbell.

The magnitude of various clubs at VHS had a wide assortment of activities to coordinate. To assure that all of these activities occur as planned, Inter-Club Council meetings were held on the last Wednesday of each month.

Each club elected an ICC representative to attend these meetings and present its monthly club program. Careful planning was important to make sure that duplications did not occur, such as having three bake sales in the same week.

The planning of the Inter-Club Council assisted in providing a wide choice of activities for all students in which to become involved.

Each year the paper has special issues, such as a

Homecoming issue, a Christmas or "All I want for Christmas" issue, and a Senior issue, in which TH sells senior wills.

Assistant Editor Kim Christy said, "I think the staff in general made a big effort to produce a really good paper. We tried to offer articles that were both informative and entertaining. I believe we succeeded and that we had the best high school newspaper in Las Vegas."

During the year, the students had the chance to submit their works to different National literary magazines and to compete for scholarships.

At the end of the 83-84 school year, the students published *Valley Voices*, the school literary magazine. The club wrote, edited, and published the book in which all Valley Students had the opportunity to submit their works.

The club is not only interested in science fiction films, but also in literature, games, and documentaries. They can often be found after school discussing their favorite sci-fi news with their advisor, Mr. Zelasko. This energetic club's favorite saying is "Beam me up, Scotty!"

This year's team, once again, had a very unpredictable season. After dropping two of their first three games, the team was dead last in the Sunset Division. Then, on the fourth week of the season, the team was suddenly sparked. They finished the regular season winning five out of six games for a record of 6-3.

Again, against the pre-season picks of many coaches, the team made the playoffs. After losing Quarterbacks Gary Henning and Eric Green to knee injuries, Jim Barbeau led the team to the Zone Championship, where they were defeated.

The team was once again coached by Vince Hart, who has had to rebuild the program this year. Despite the lack of experience, the team worked very hard to improve each game. The team's main goal was to hopefully finish the season having a top rank in their division.

After finishing the season third in total offense and fourth in total defense, the team was predicted to finish in fourth place and not qualify for state since no starters were returning. But, Coach Bobier, despite all odds, had done it again: the State Tournament.

The Men's Tennis Team served, rallied, and aced their way to a great season. The team was very young this year due to the presence of only three seniors: Ivan Nathanson, Timmy Lassooy, and Chris Hudson. However, with the help of juniors Jerry Huckabee, James Geracci, Rod Bigelow, Nick Mihalko, and Tony Hornsby, the Viking team proved to be successful. The sophomore players, John Sharpe, Robert Tomiyasu, and Tony Lundberg added their youthful enthusiasm to keep the spirits alive throughout the season. State Singles Championship was taken by Senior Laura Gonzalez with a record of 54-1. State Doubles Championship was overcome by Cristi Gonzales and Sue Costa; their record was an outstanding 55-0. Their overall record for the team's season was 33-0.

This year coach Dave Ross was in charge of working with the young J.V. Girls' Basketball team. He was challenged to bring out the talents of the inexperienced players. The girls proved to be strong competitors all year and performed very well. With Angie Gaines and Mina Hall leading the

team, the end of the season left them with a very good record of 8-3.

Coach Ross, who came from Lewis E. Rowe Elementary School to help the team, offered a great deal of encouragement to aid the girls in their winning season.

Members practiced at Basic High School Tuesdays and Thursdays from 2:30 to 4:30 p.m. Their meets were held on Wednesdays.

# Chess Team Competes in Strategy

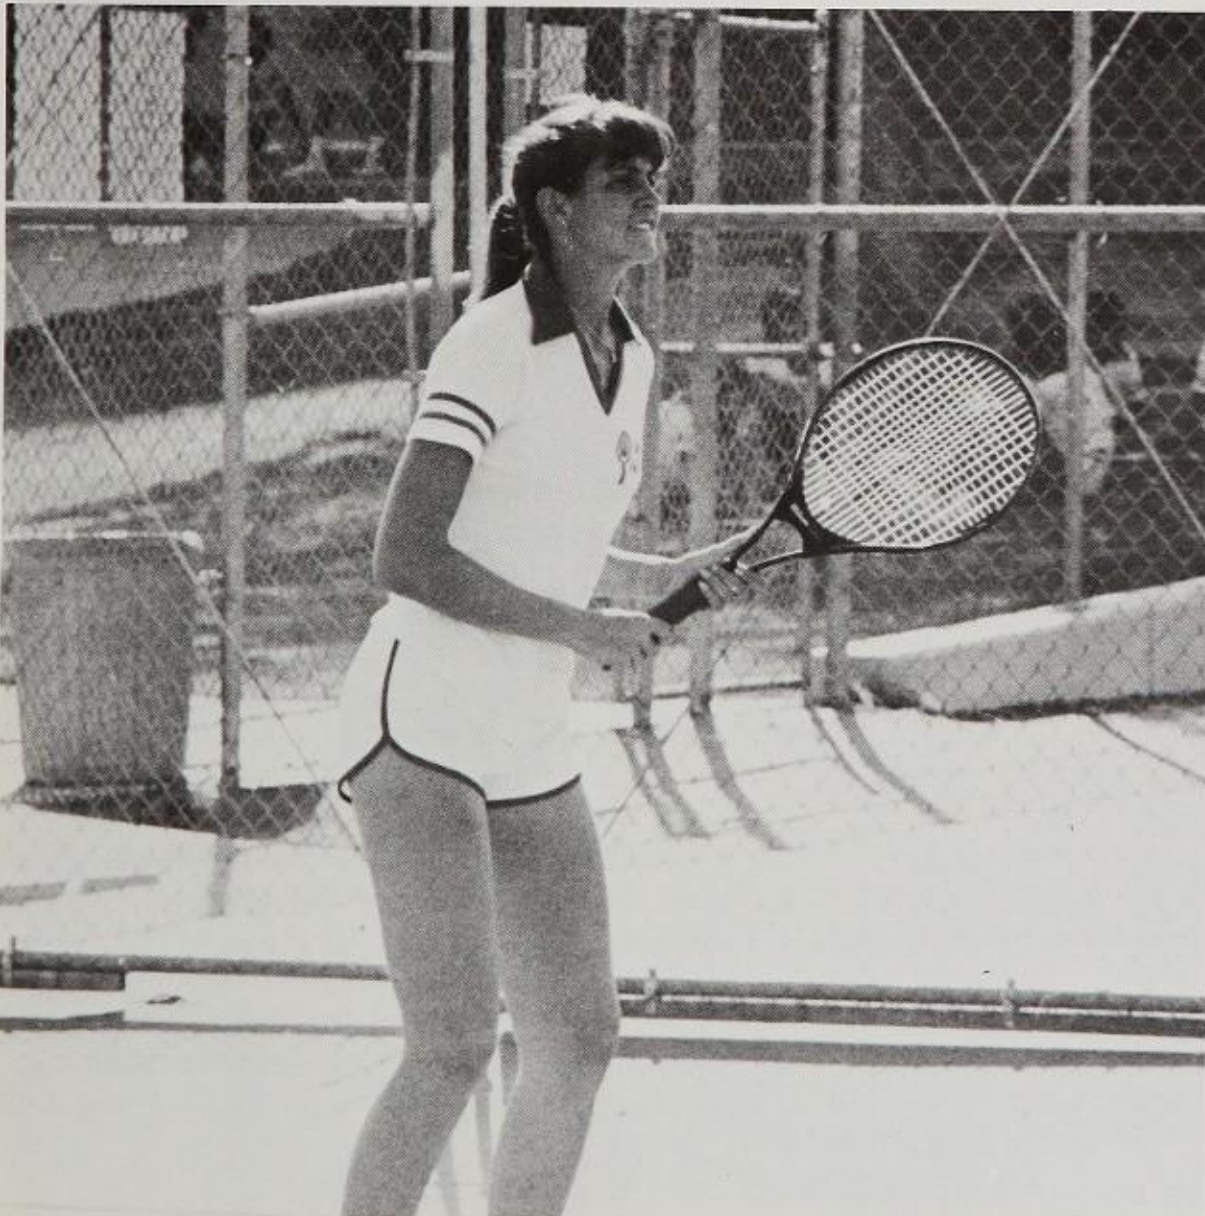

Front row: Chris Karris, Kirk Krespi, and Dave Singh. Back row: Matt Crossman, Phil Gorrow, Bill Malone, Mr. Painter, Albert Tabola, Mike Ryan, and Lori Hulburt.

"A-6 to G-7," "I'll counter that with a King's pawn to the front." The jargon may sound a little strange to those who do not devote hours to pouring over the strategic game of chess, but for the intellectual players of the game, it is as common as a second language.

The Valley High Chess Team competes with other high schools in a bid to capture the championship. The group has an excellent record, and

the dedicated members work hard to defend their reputation as a formidable team. Advisor Mr. Painter commends his team for their efforts which include mandatory practice for two days a week after school. Members compete among themselves to win board positions, and player Albert Tabola says, "The game is a difficult one that requires skill and strategic capabilities."

The team was especially strong in the sprints, distances, shot-put, and discus. The weaknesses acknowledged by Coach Walker included the jumping competition and the hurdles.

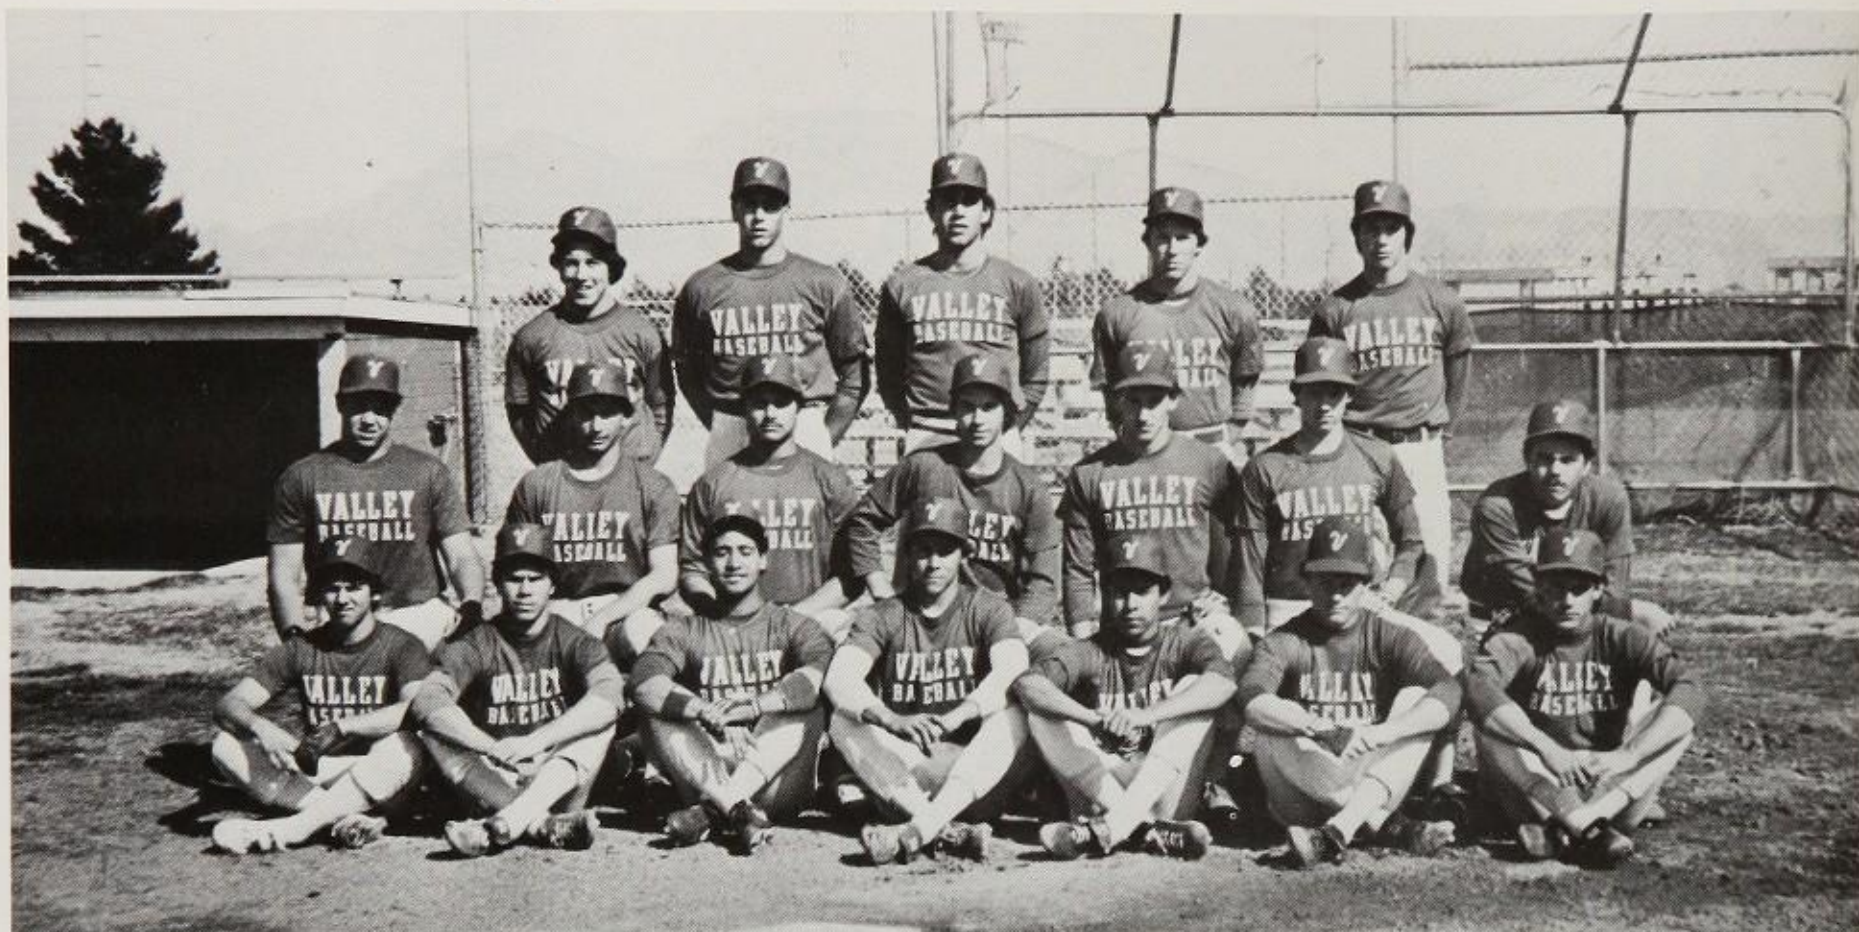

The many returning players' experience contributed to the success of the Runnin' Vikes.

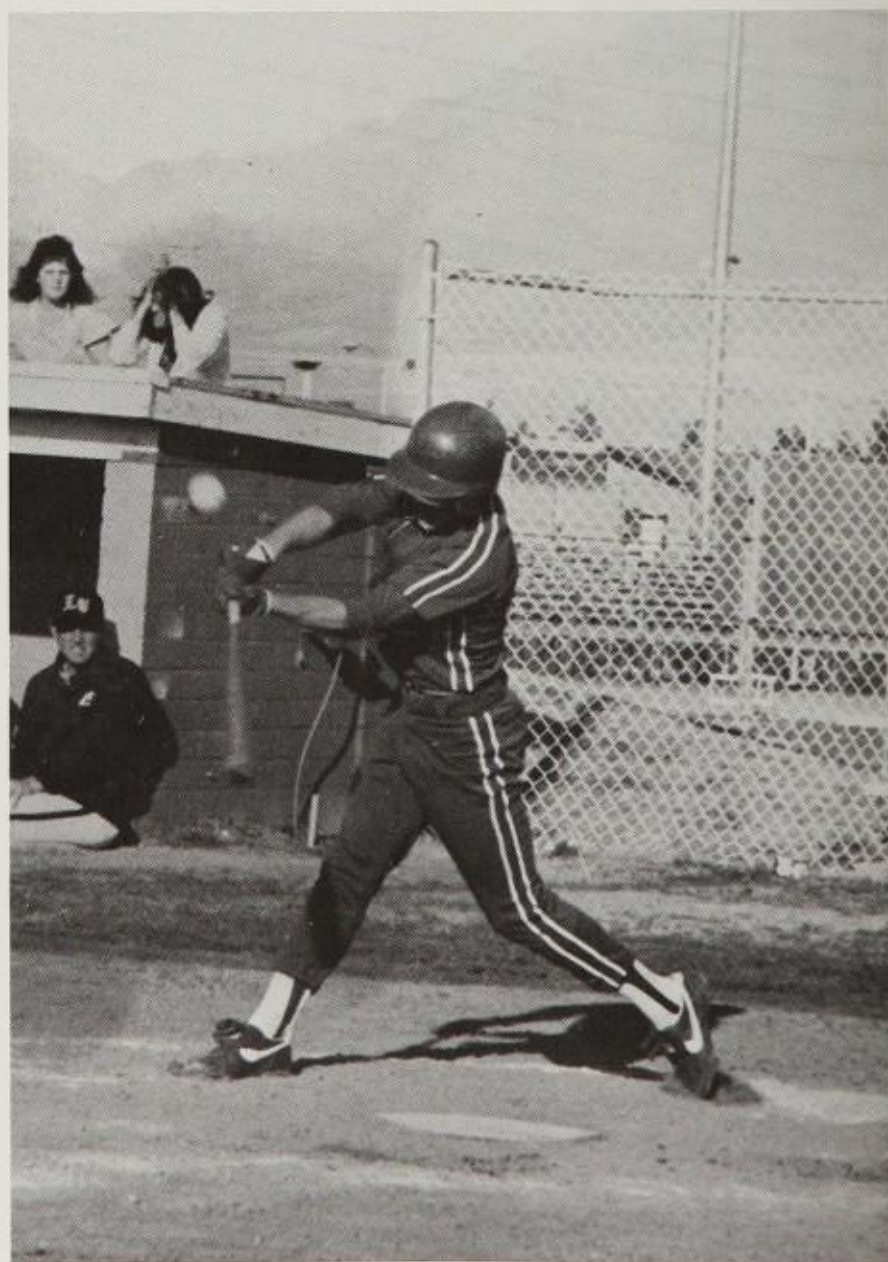

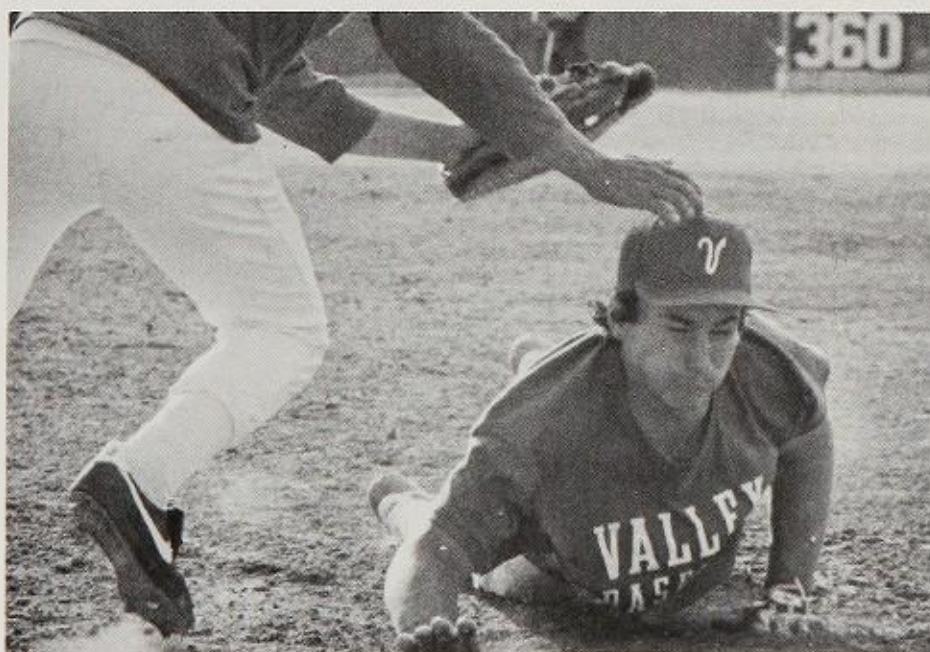

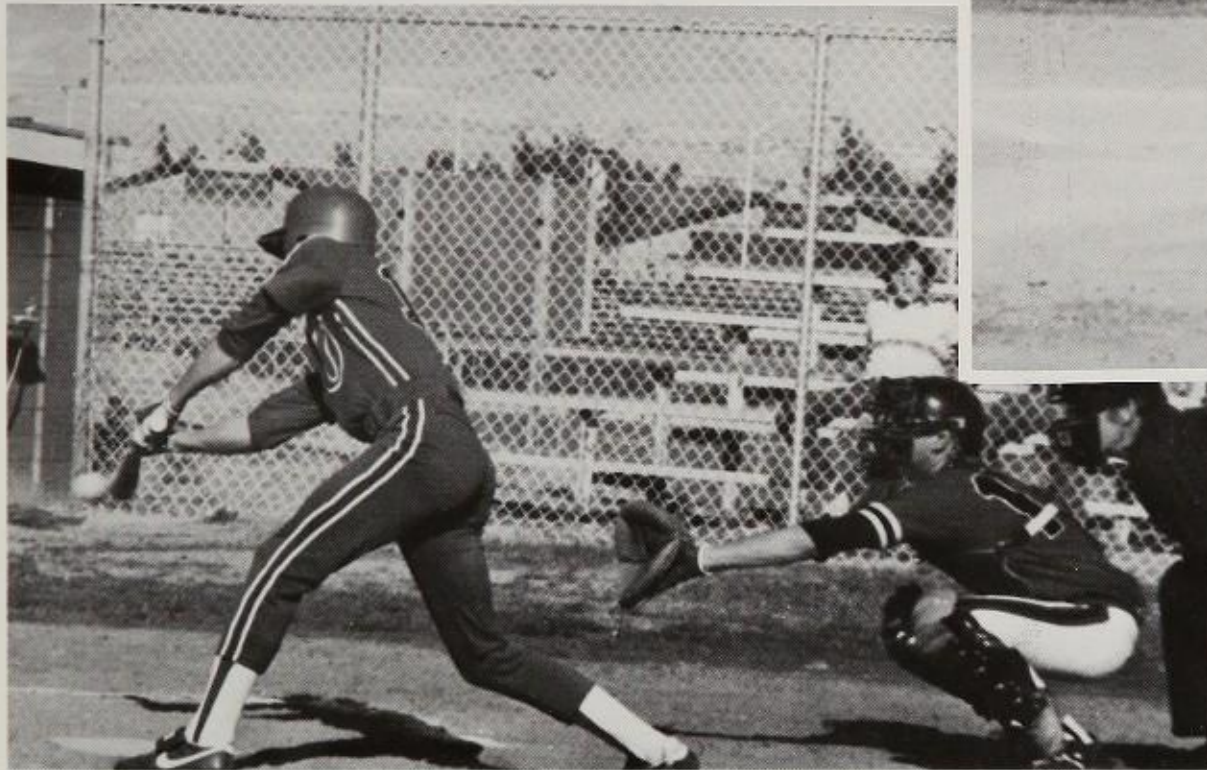

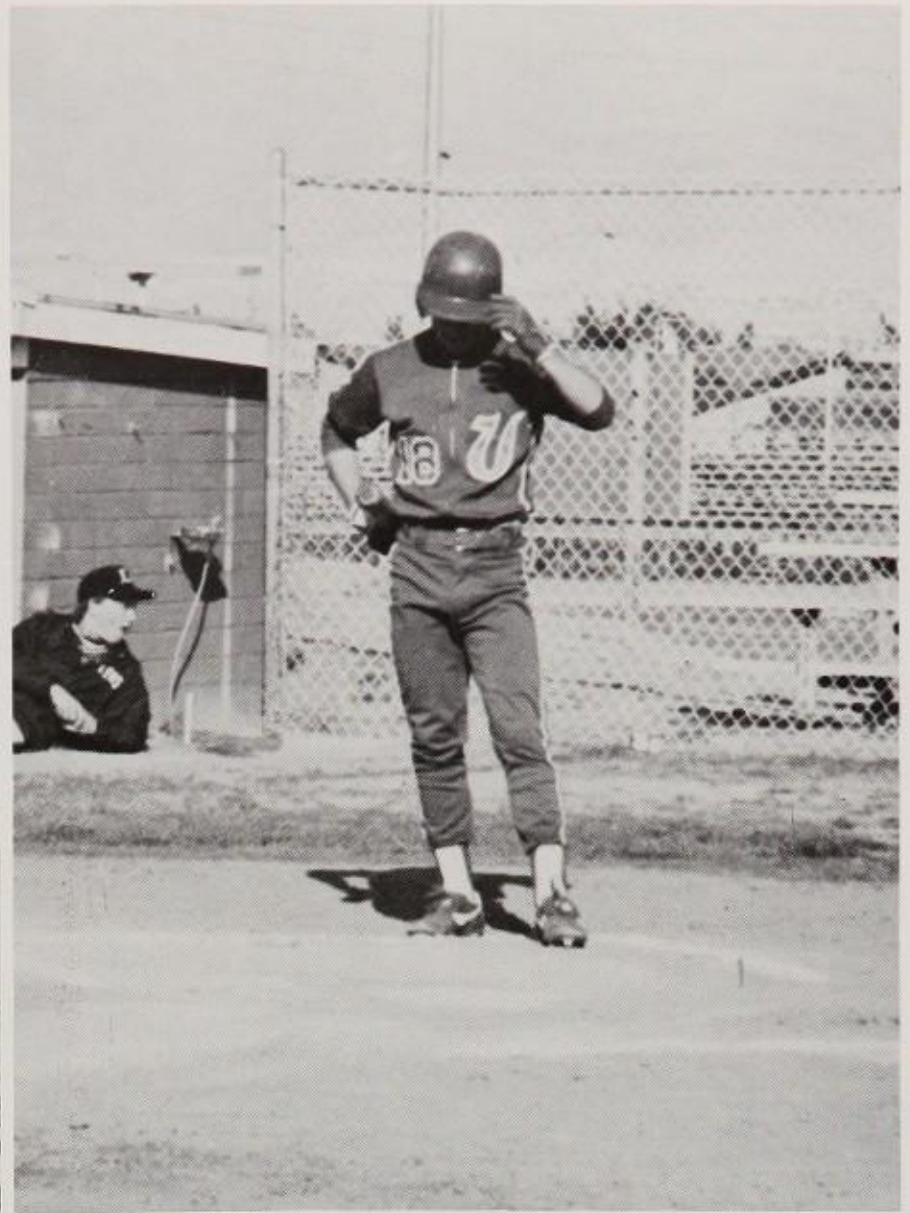

# Viking Baseball, What a Hit

Kneeling: Gary Corbin, Bart Katz, Jim Barbeau, Tom Griffin, Steve Chitren, Dan Opperman, and Doug Morski. Back row: David Baxter, Norm Craft, Gary Henning, Mike Newby, and Tiger Maddux.

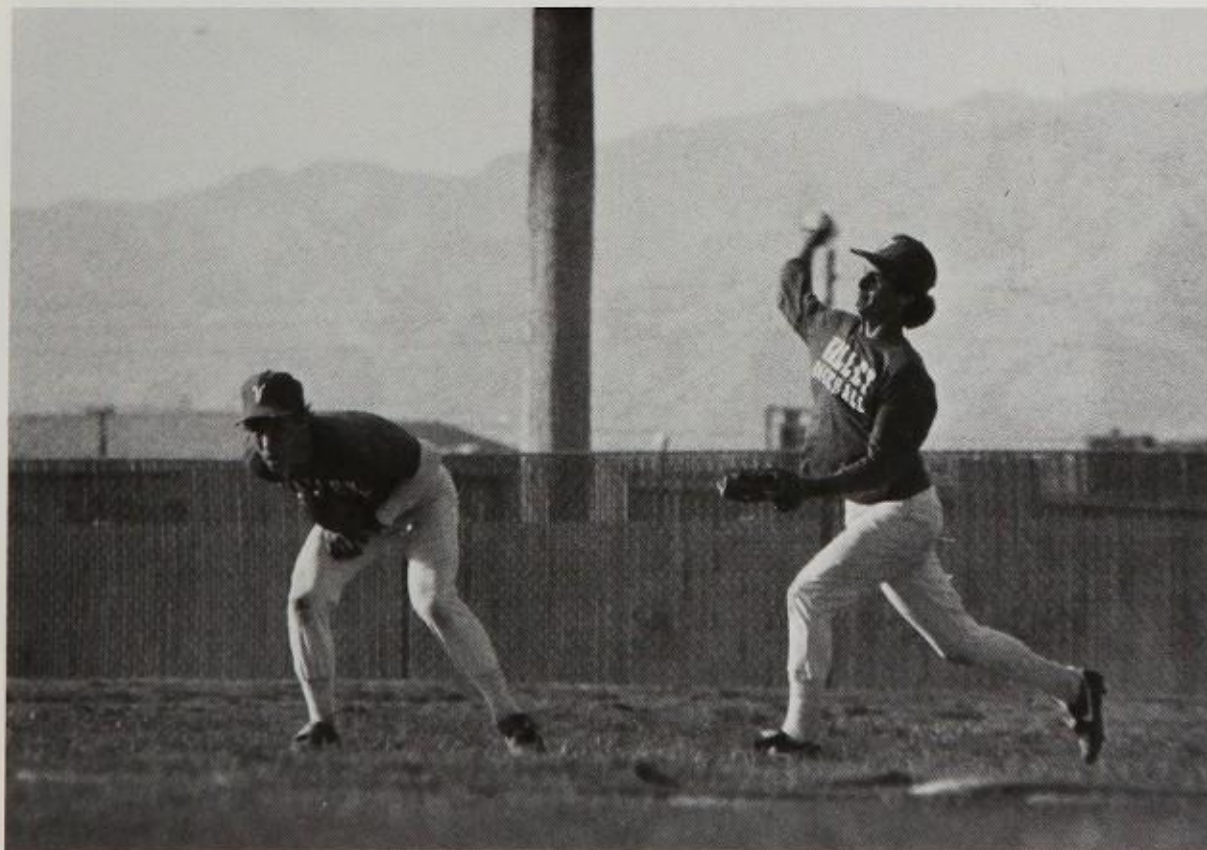

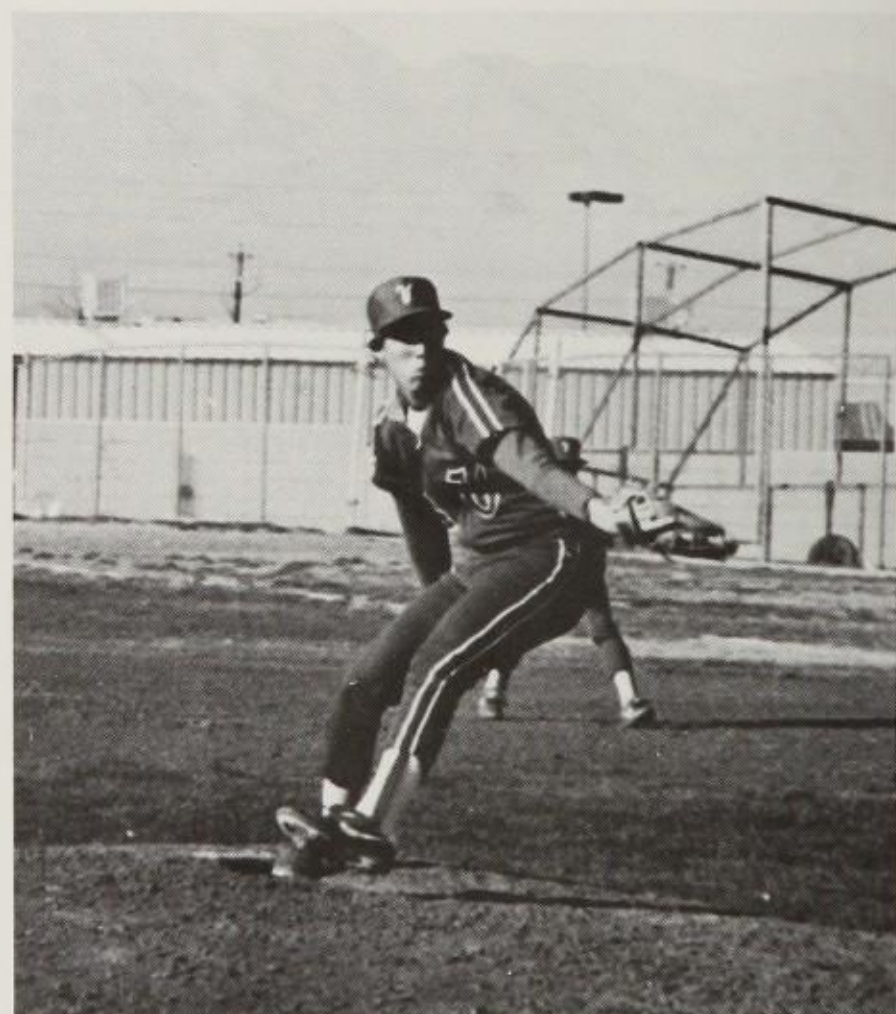

Mike Newby, Greg Maddux, Steve Chitren, Lance Bradford, Troy Vannucci, Doug Morski, and Tim Soder, the seven returning players, led the '84 Varsity Baseball Team.

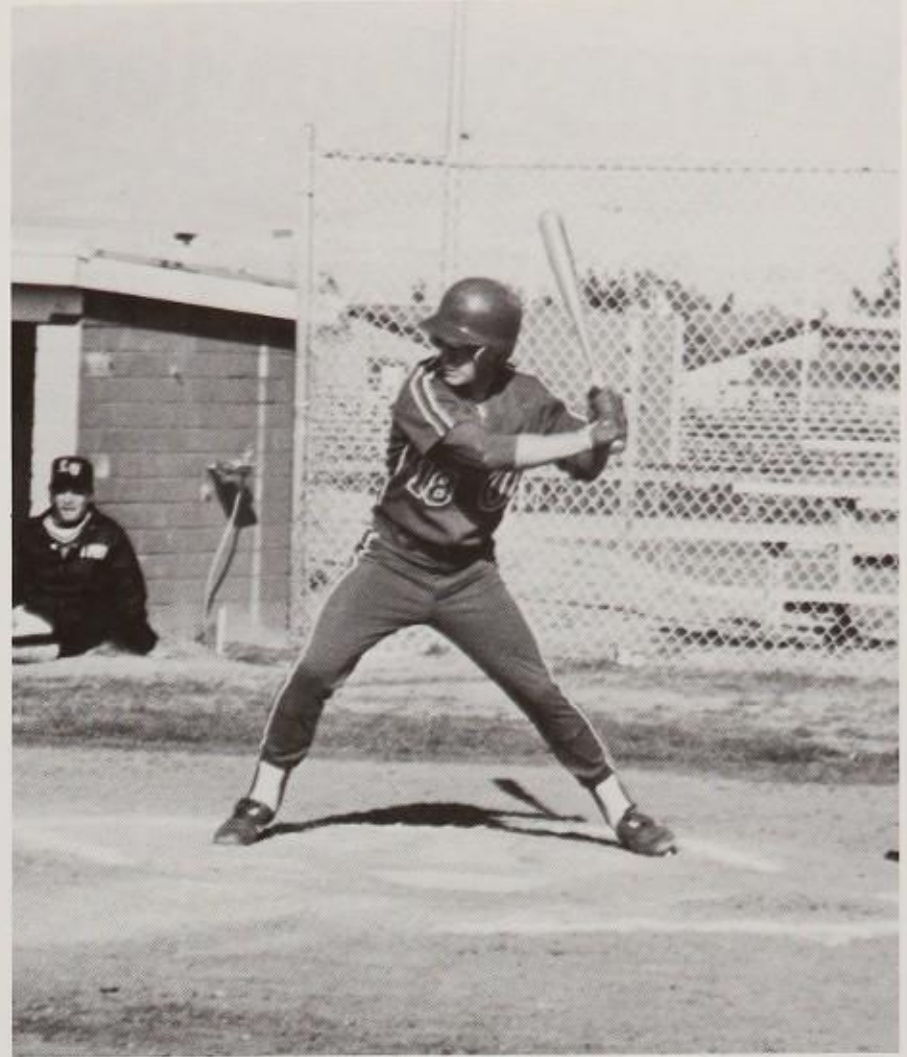

Eldorado was the toughest competition for this year. Coach Fairless stated, "We had good pitching, a semi-weak defense, and questionable hitting." Fairless thought the year to be a long, weak one.

## JV Baseball Fever, Catch It

Front row: S. Hapton, R. Goodwill, B. Witaker, N. Chio, B. Cordova, and T. Robinson. Middle row: T. Risner, K. Ball, J. Crosby, T. Christenson, and T. Austin. Back row: Coach Lou, B. Katz, J. Sharp, T. Welch, J. Blockovich, S. Calaruso, and G. Brown.

# Women Runners End Successfully

Front row: Leslie Sweet, Kim Schubert, Nikki Toms, Holly Carter, Lisa Gorman, Terri Long, and Timoka Sasahard. Back row: Corita Rhoden, Francise Anderson, Renee Addison, Kathy Glassford, Tanya Hetzer, Martha Murvosh, Deshay Addison, and Coach Barbra Whiston.

The experience of ten returning members helped add to the success of the Women's Track Team. Coach Overton Curtis felt his team had good distance runners but showed weakness in field and hurdle events.

Although the team was strong, their toughest competition came from Western and Rancho. Commenting on this competition, Coach Curtis said, "We overcame it with a lot of help from the team."

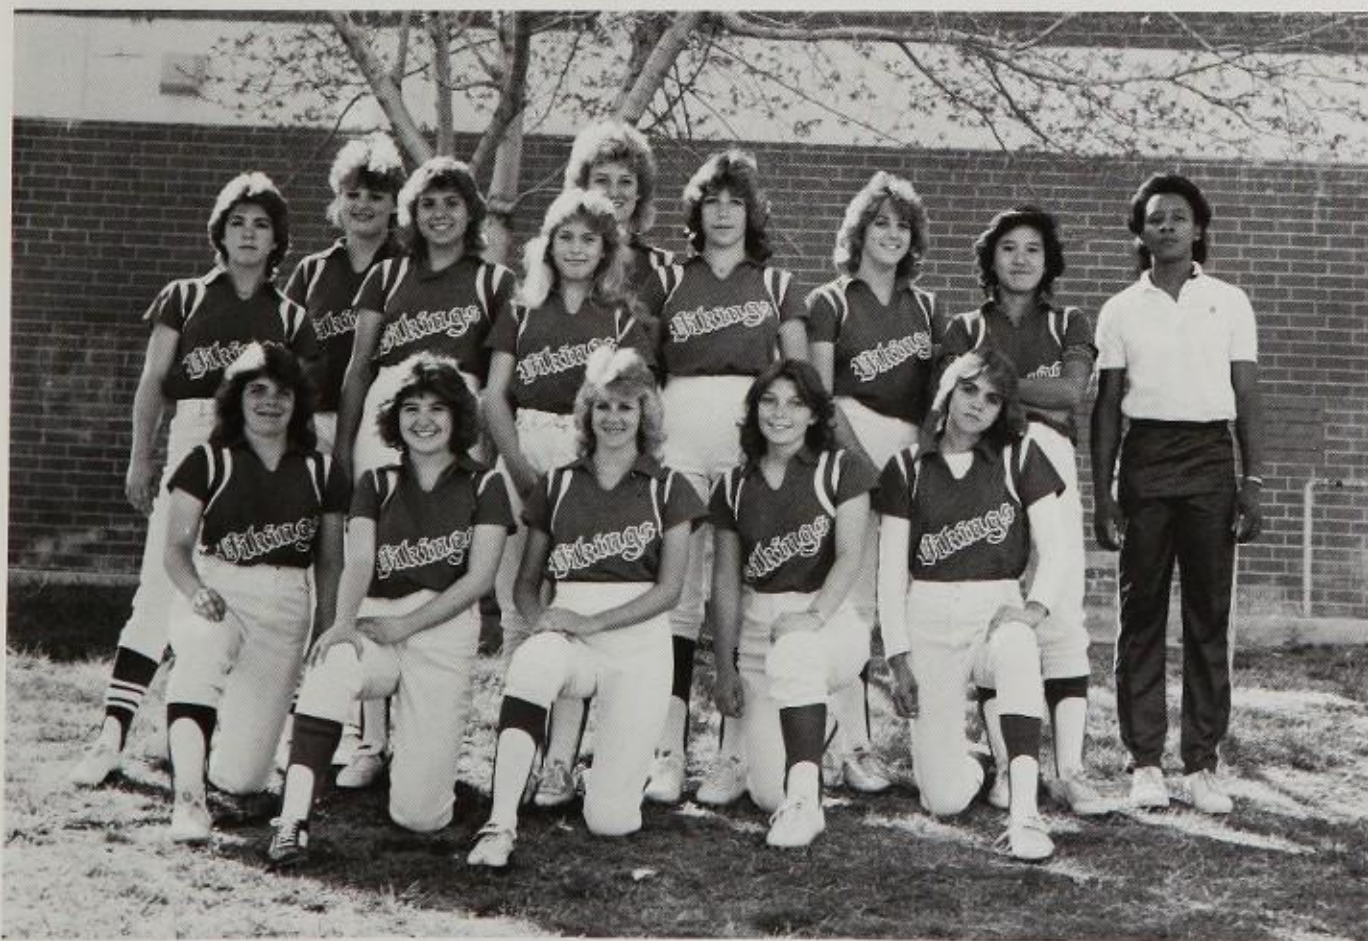

# Varsity, JV Girls' Softball

Front row: Reve Palmer, Gina Mainwal, Daphne Whitney, Ellen Gasparo, and Maggie Farfan. Back row: Coach Major, Christy Smith, Sherri Gerecht, Dorothy Chester, Brenda Banks, Gina Quinones, Lisa Moore, and Stacy Wolff. Not pictured: Renee Creira.

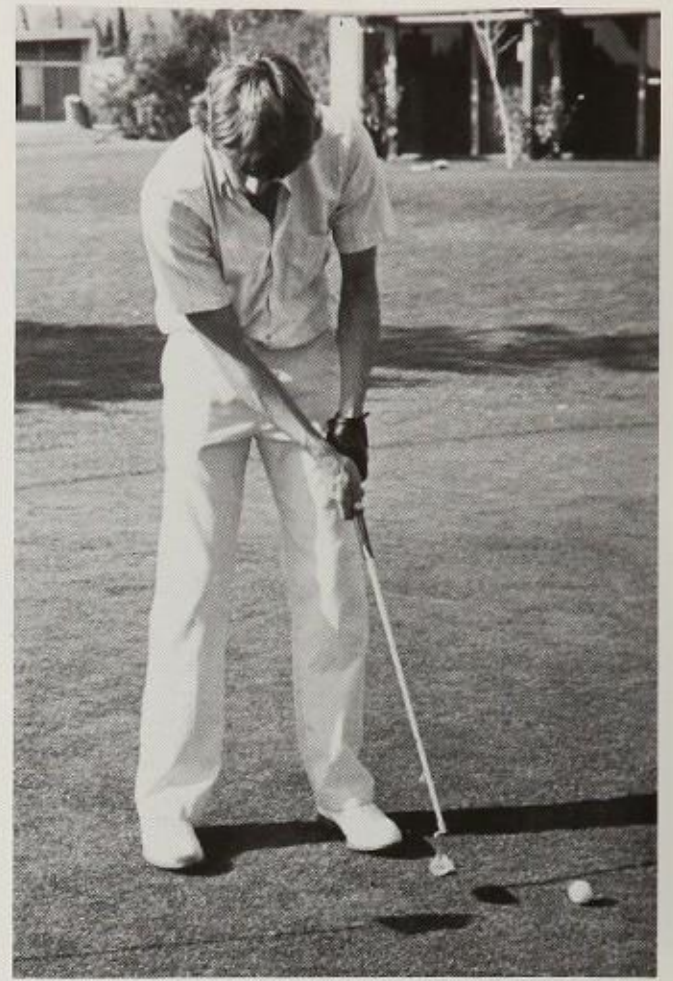

**"Playball!"** The Girls' Varsity Softball Team, through tough tryouts and vigorous workouts, showed a strong outfield.

"The team had a lot of unity and togetherness. All in all, they played well together, and they worked hard. They were a young team, but they played tough," stated Coach Major.

Pictured at left, front row: Tana Barnes, Jeanie Belli, Cindy Merritt, Amy Isaacs, and Tina Barber. Back row: Teri Massett, Lisa Robertson, Tami Lior, Anne Magliere, Tona Jenkins, Laura Brinker, Diane Domina, Siryvan Somphine, and Coach Major.

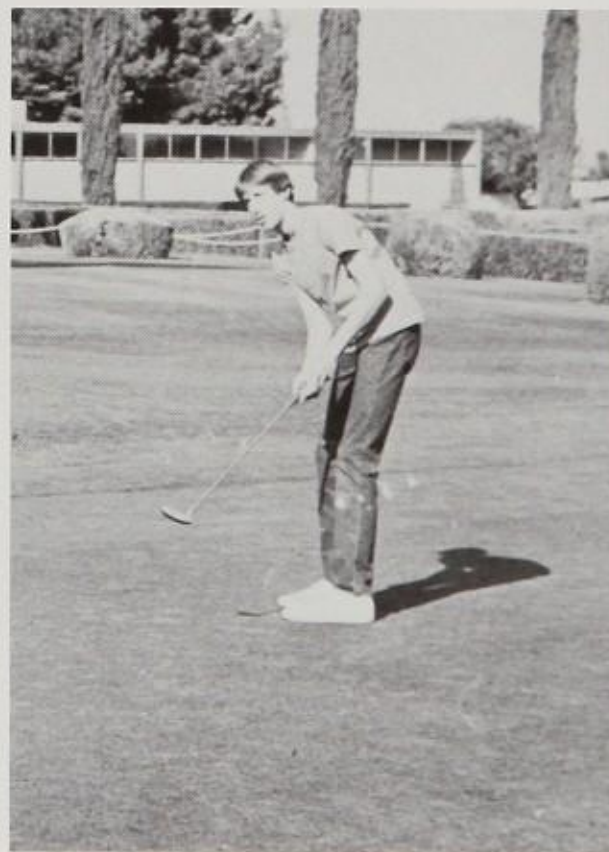

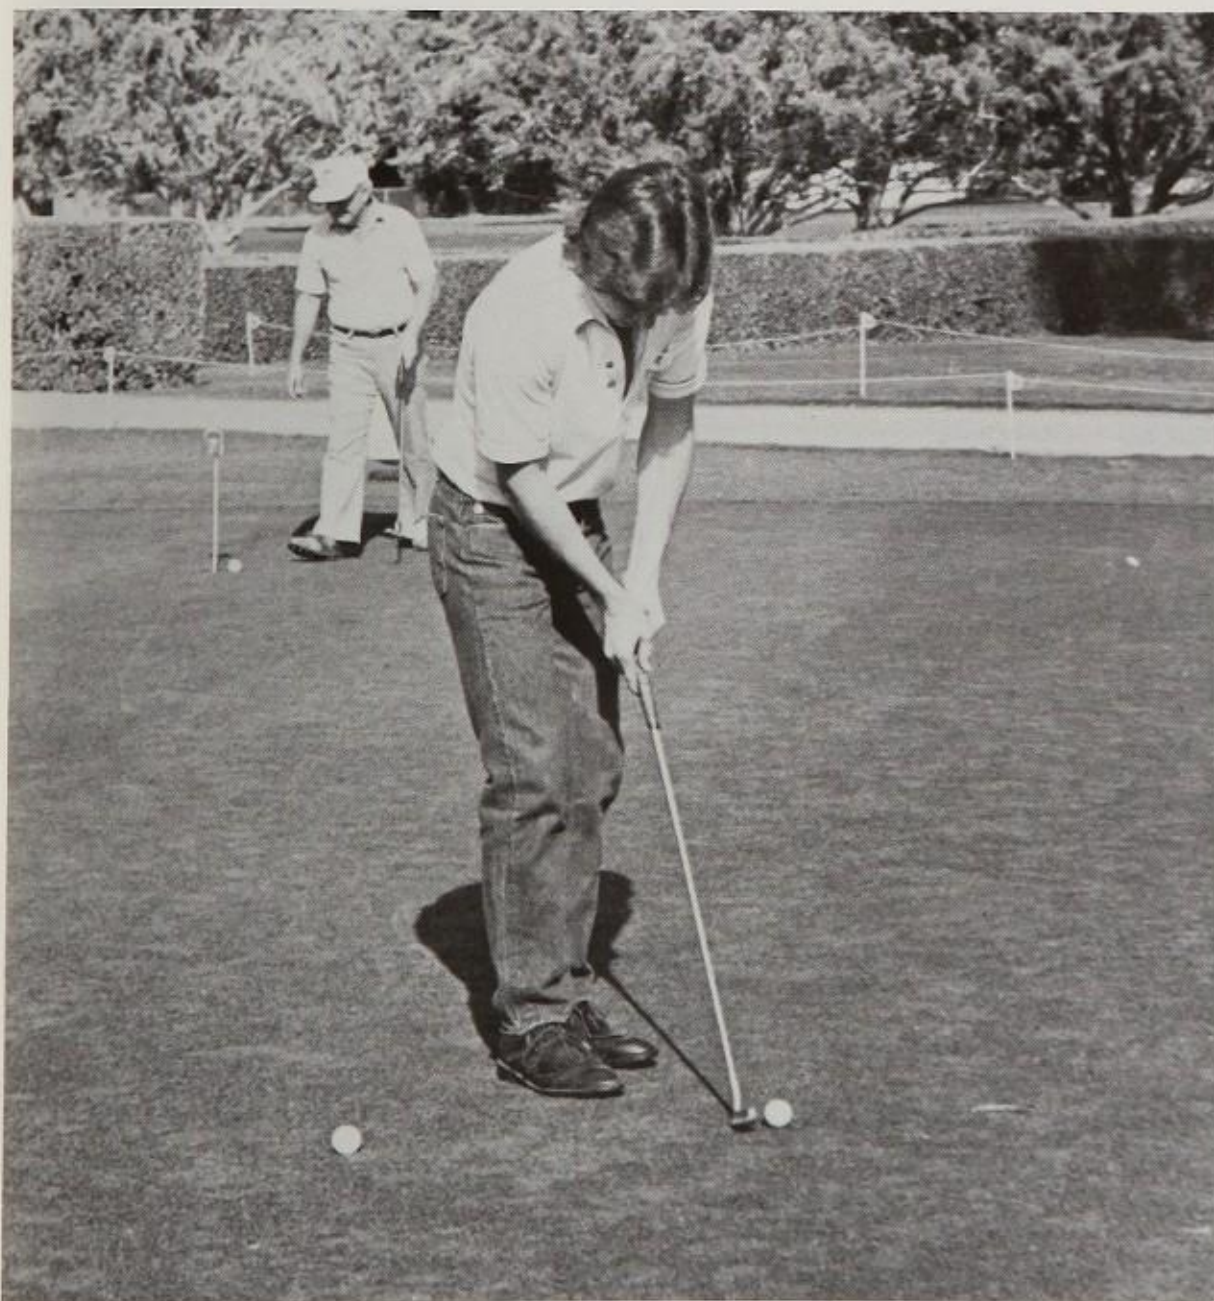

# Men's Golf Finish Above Par

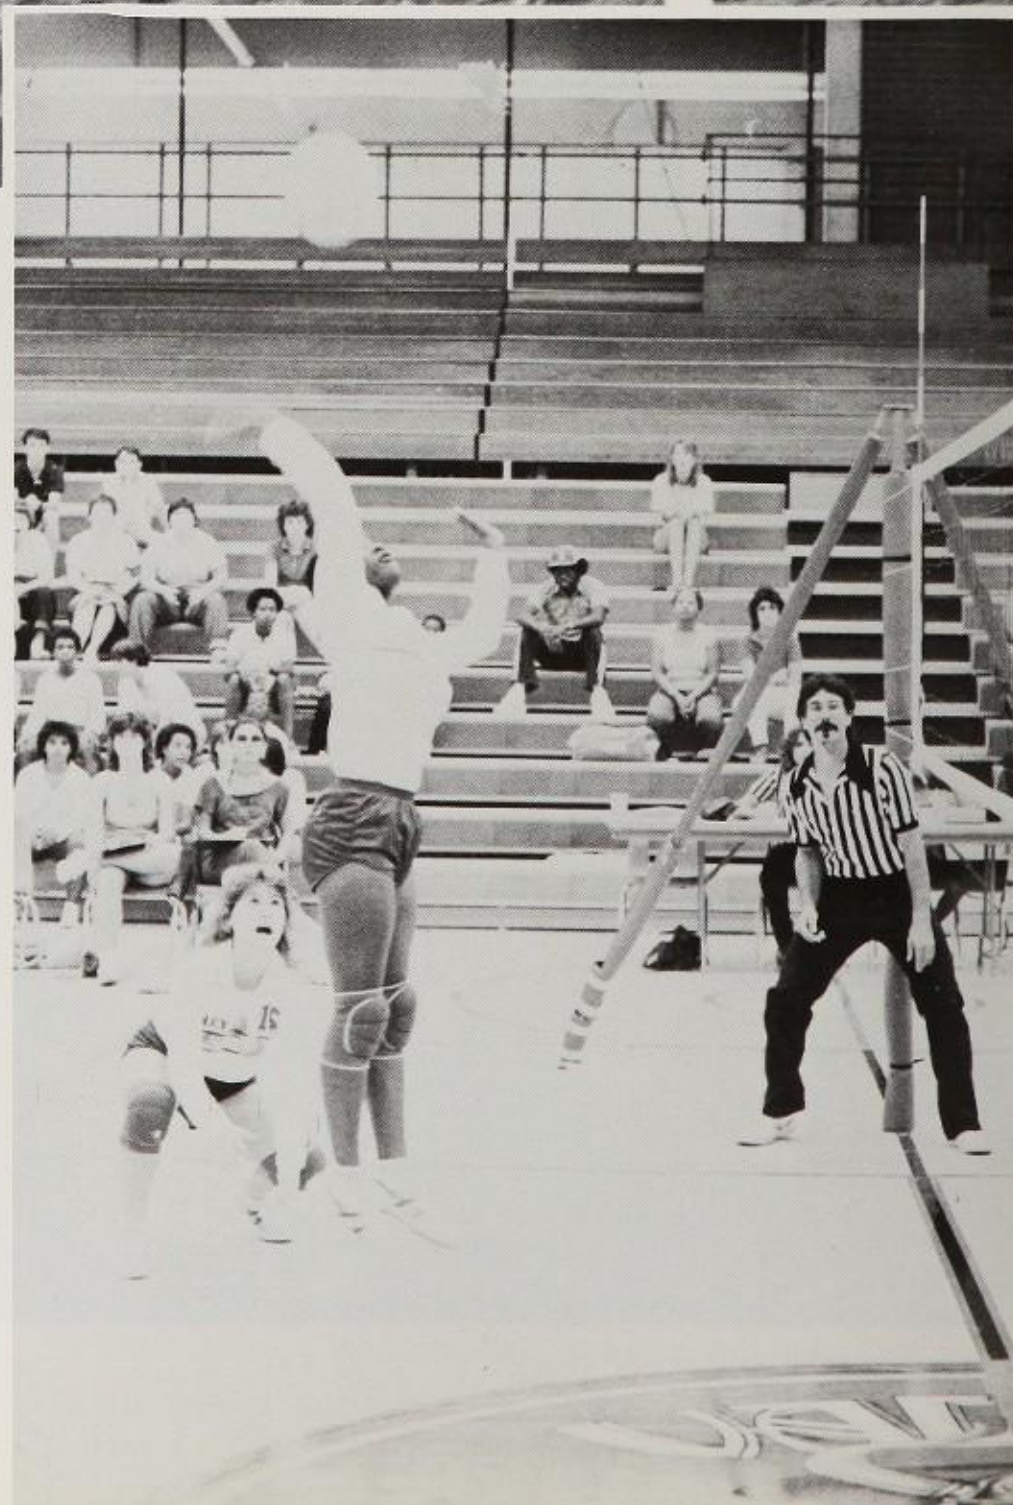

First row: Brian Brusa, Rick Husted, Mike Winfrey, and Ray Singh. Second row: Coach Schlekewy, Mike Pergola, Darrin Stoops, Joey Seman, Mike Philippart, Jay Stone, and Coach Northridge.

## Men's Golf

This spring the competition for Men's Golf was very stiff. Thirteen members made up the team, but only six could qualify to compete in the matches. Coach Schlekewy said, "We have more depth than last year. If the golfers can become more consistent, then we have a good chance to win Zone and to possibly take State." Clark, Bonanza, and Las Vegas were cited as the men's golf team's hardest competition.

Who was responsible for the extra special something in our assemblies? What group of people could give such quality performances? When did this squad ever lose spirit when the chips were down? Where did they get such unity and uniqueness? Why did the word "senior" mean eight times more to them? The 1983-84 Songleaders are related to all these questions. The squad contributed much time, effort, and spirit to every event during the school year.

Outside of school, the Songleaders also proved to be superior. During the summer they attended the National Cheerleaders Association camp at ULCA. They received an award of excellence, and NCA's coveted Most Superior Award.

By combining their multi-talented efforts, the squad entertained the VHS student body with their dynamic routines. Taking time from their busy schedules of preparing and practicing routines, the Songleaders also hosted the Sadie Hawkins Dance at Sam's Town the first weekend in November.

Their Adviser Ms. Bixler and Captain Debbie Elvena led the squad of eight seniors. This group helped add "class" to the Class of '84.

The Pep Club was composed of a group of spirited Vikings that attended all football and basketball games, cheered at many other sporting events and games, and participated in all spirit activities. Advised by Mrs. Michaels, the group also raised funds to help buy t-shirts and other spirit items.

Pictured individually are the officers: Linda Logan, president; Natalie Kim, vice president; Kristin Sakahara, treasurer; Celeste Miller, secretary; and Andrea Sommer, ICC representative.

Wrestlerettes are not lady wrestlers. They keep score, run the time clock, and cheer the wrestlers on to victory. The eighteen Wrestlerettes also prepare a box full of nutritious snacks as a reward at one of the matches. They plan to go to San Diego, CA., on December 9, 10, 11, and also to attend State finals in Reno. They are advised by Mrs. Sharlene Engel.

**You don't have to be tall to be a member of the Tall Flags Team. You do have to be hard-working and devoted.**

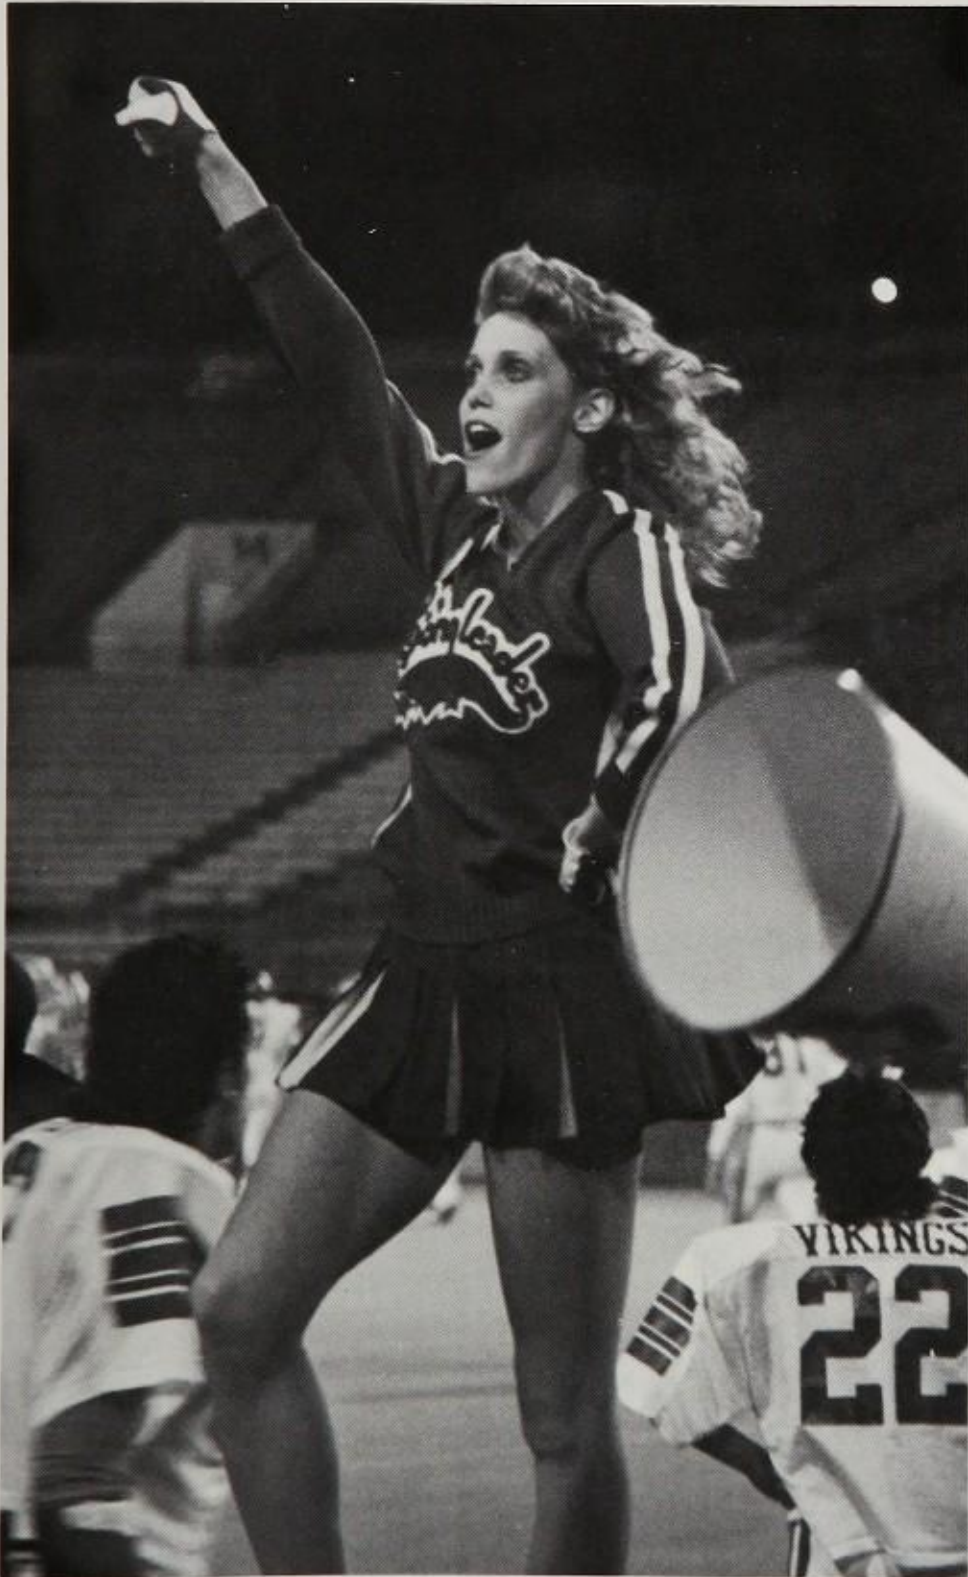

The team consisted of thirteen girls who were chosen last spring after much practice and competitive try-outs. Under the guidance of a new adviser, Mrs. Cathy Spina, and led by Captains Karen Moss and Paula Ackley, the team worked closely with the band performing at football halftimes and other shows, such as the Halftime Review. They also performed at away football games, basketball games, and assemblies.

Last summer the girls attended a United Spirit Association Camp in Santa Barbara. They left with many superior ribbons and a trophy for their hard work. They also competed with the band at a marching competition Oct. 30-31 in La Habra, CA., and received a second place trophy.

HELP . . . was the cry of sophomores upon entering their first year of high school. Not only did they have the burdens of adapting to new surroundings, but they also had to find a way to get involved with their class. The S.O.S. was heard by this year's 1983-84 J.V. Cheerleaders squad. The eight sophomores on the squad supported their class members by providing spirit and confidence through assemblies and pep rallies.

With the help of their advisor, Ms. Connors, the squad is readily prepared for their next two years at Valley.

# Couples Kick Up Their Heels

On November 12 the knee-slappin', rip' rollickin', Sadie Hawkins Dance was held at Sam's Town from 8-11. The annual event was much anticipated by the females who finally got their chance to do the askin' for a date. Weeks before were spent huntin' for matching duds to wear for the country occasion. When the couples arrived at the hoedown, they had the chance to be made official lovebirds at the Hitchin' Post conducted by the most Reverend Medrano. Then they kicked up their heels on the dance floor. The event was certainly well attended, and according to Songleader Captain Debbie Elvena, "Proved to be successful and well worth the hard work contributed by the squad."

## Mike Haight Reigns as Snowball King and Angela Rowe as Snowball Queen for Holi- day Dance

Although it was not the beginning of a white Christmas, the 1983 Snowball Dance got everyone into the spirit of the holiday season.

The dance took place on December 16 in the VHS cafeteria. Not only was the dance complete with refreshments, lights and decorations, but Santa Clause stopped by to wish us all Christmas cheer and to pose for a few pictures. Many of the students at Valley displayed their dancing skills by doing the new dance called the "Break." The music was provided by Solomon Braun and his Music Company. They played a variety of music which kept everyone on the dance floor.

Black History Week was held Feb. 6-10. The week began with spirited dress-up days: Monday, punk day; Tuesday, backwards day; Wednesday, celebrity day; Thursday, reverse day; and Friday, red, black, and green day. Other activities during the week included putting on a show at John S. Park, a fashion show banquet, and the finale, an assembly held Friday. The assembly entertained the student body with a marriage ceremony, the band TLC, and a slide show recognizing famous black men and women. The black royalty was crowned at the assembly: Traci Smith, queen; Rickey Hampton, king; Tammy Jones, princess; Roni Fuller, prince; Rachael Frazier, duchess; and Keith Green, duke.

Tyrone Thompson, who contributed a great effort in the week, stated, "All the hard work and effort put in Black History Week was brought forth through the outcome of the assembly."

Traci Lynn Smith

Scott Stavrou

Shannon Brown

Traci Lynn Smith participated in JV and varsity volleyball and basketball, Senior Class Cabinet, *Sun* Youth Forum, Computer Club, and was president of Human Relations/Soul Club. Traci also studied hard in the International Baccalaureate program. Traci enjoyed the academic excellence of Valley High because of the experience she had in the IB program. Traci said about her job as president of Human Relations/Soul Club, "I feel like we as a group have alleviated a large amount of the racial animosity between Valley's students." After high school, Traci plans to attend Arizona State University and major in Deaf Education in Rehabilitation.

Scott Stavrou has participated in Student Council, Gavel Club, NHS, and ICC as chairman. Scott has been a debater for the past two years and has excelled in the forensic competition, with such captivating openers as, "Were you ever awakened in the middle of the night in a cold sweat, literally trembling with fear, scared to death at the thought of being attacked by a crazed, homicidal, drunken tuna fish?" Clearly Scott has attained an exceptional level of communication, and he hopes to utilize this talent in the future at Georgetown Univ. in Washington, D.C. Scott's best memory of VH, "is not composed of any one occurrence; it includes three years of football play-offs, four years of basketball state championships, and many outstanding elements that made it memorable."

Shannon Brown was one of Valley's most versatile students. Not only did she play on the Varsity Volleyball Team for three years, but she also was a member of *Thor's Hammer* for three years. She was interested in racquetball, glider flying, computers, music, and animals. While pursuing her interest in writing, she was sports editor in chief in her senior year. She was a member of the National Quill and Scroll and National Junior Newswriters Assoc. Shannon plans to go to college and major in physical therapy or physical education. Shannon feels that an athlete's first priority is to excel in education and then excel in sports.

For the first year Valley is adding a new feature to its yearbook: Senior Spotlight, a feature section on some of Valley's most prestigious students. These students all have some outstanding qualities, be it sturdy GPA's or an overabundance of school spirit. All interested seniors were informed by the publications staff to pick up and fill out an application at the Government Booth, probing their interests and attitudes concerning their hobbies, contributions, activities, and future plans during and after Valley. All applications were reviewed by representatives from the administration, counselors, faculty, yearbook staff, and the student body.

# SENIOR SPOTLIGHTS

Michelle Reed

Jennifer Tabola

Gliding across the ice with the greatest of ease, displaying grace and beauty, and capturing the crowd with her winning smile is a description of none other than the outstanding senior, Michelle Reed, taking part in her favorite hobby. Although the actions of Michelle on ice appear to be easy, this talent has developed after years of hard work and dedication. Another hobby of Michelle's is dancing, and she also takes a great interest in music. To pursue this interest, Michelle has been a part of the VHS band, which helped her to promote school spirit. As an International Baccalaureate student, Michelle's plans to extend her studies at the University of Colorado in Boulder.

To what shall one compare this girl? To Ginger Rogers dancing with Fred Astaire; to Charo playing her guitar; and to Jane Fonda doing aerobics. Jennifer Tabola enjoys doing all these activities plus many more. As the Student Body Vice President, member of Mu Alpha Theta, FBLA, and honor society, Jennifer showed her interest in school activities and promoted much spirit. This multi-talented student spent much of her time these past three years planning and participating in school events. One of Jennifer's most memorable events at VHS was being crowned Homecoming princess at our victory game. All of Jennifer's hard work has definitely paid off.

Tammy Walker

Denise Sarnelli

This senior loves to promote spirit at Valley High. Tammy Walker feels being involved not only promotes spirit but also improves her school life and her grades. Being a participant in cheerleading, track, cross country, National Honor Society, Human Relations, and Sun Youth Forum, Tammy has lifted her spirits and the spirits of others. Tammy is an excellent student and plans to continue her studies by attending college and majoring in business law. Tammy feels her best memory of VHS will be all the trophies, awards, and state championships that were won in both academics and athletics. Tammy's positive attitude will help her achieve her goals in life.

There is not enough room on a page or even enough pages in the book to list all the school and community activities that this outstanding senior has been involved in during her high school years. Just to mention a few, Denise Sarnelli was vice president of National Honor Society and Key Club, Editor of the 1983-84 *Valhalla* yearbook, an ICC rep, a member of Spanish Club, and class cabinet. Denise's contributions to Valley are unlimited. "I helped to start the first Hispanic week at Valley, and I'm not even Spanish." Denise plans to take her social skills from organizational work and apply them in the fields of psychology and public relations. Denise, with her warm heart, will always be an exceptional individual.

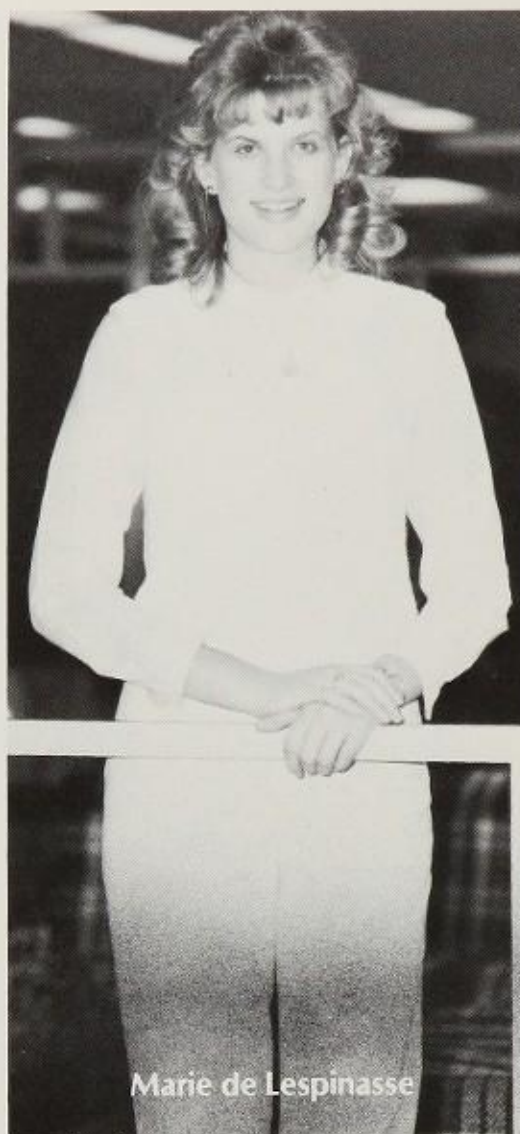

# SHOW THAT THEY

Considering the tremendous amount of students attending Valley, Marie deLespinasse stands out as one who has well-balanced her extra-curricular activities by taking part in a variety of interests. Her involvement in activities included Concert, Pep and marching bands and Clark County Honor Band. Marie was also secretary of NHS and senior rep. in band council. She has been a member of such clubs as German Club, Creative Writing, and the editorial staff of *Valley Voices*. Marie shows a special talent when she communicates with the hearing impaired through sign language. Marie's future includes attending Eastern New Mexico University and majoring in communicative disorders.

You may have a tough time keeping up with this very active senior, for David Carothers is always on the run. If he is not doing one of his hobbies, like scuba diving and skiing, you may find him running around Valley trying to get things in order. David refounded the Ski Club, which has been very popular with the students of Valley. He was also the founder and captain of the Yell Leaders, who work with the cheerleaders to promote spirit at the games and assemblies. After graduation, David plans to continue cheering as a Yell Leader at Pepperdine Univ. There he will major in business administration and pre-med. David's fondest memory of Valley High will be the people.

Todd Phillips, better known as "Le Prez," should not only be remembered at Valley High for his "Le Car" and "Le Jokes," but also for the dedication and hard work he has put forth during his years at Valley. He has been Student Body President for two years and a member of the German Club. If being in Student Council was not enough, Todd also pursued his hobbies and interests. These include theatre, singing and tennis. Todd's most memorable time at Valley was his 1983 Homecoming assembly and game. He stated, "When something that you put all your efforts and time into comes out that well, you cannot help but feel proud." Todd has left memories for Valley as Valley has made memories for Todd.

So vote for me Damencele DiPasqua, the long name with the "D's". If this famous quote does not sound familiar to you, you obviously have been snoozing through election campaigns for the past three years. Damencele has been elected officer of virtually every club on campus including Spanish Club, Gavel Club, and honor society. Public speaking is Damencele's first love, and she has won numerous awards in both local and state-wide competitions. Damencele hopes to someday say, "This is Damencele Di Pasqua with the 6:00 news" on T.V. There is not doubt that this wish will become a reality as Damencele has succeeded in everything she has attempted thus far.

# ARE SCHOOL SPIRITED

Jodi Herman

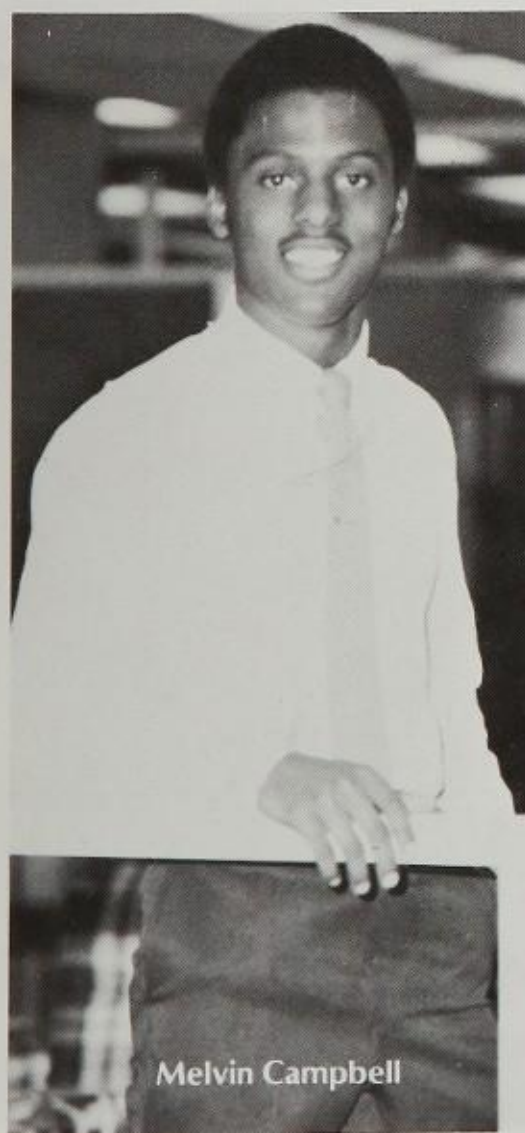

Steve Schank

"There we were" at one of Valley's very entertaining plays. In the starring role, a very talented and promising young actress at Valley, Jodi Herman. Not only was she in many plays, but she was also very active in speech and debate. She served as president of Thespians for two years, treasurer of Gavel club, and was an ICC Representative. Through Jodi's high school years she helped to create a student awareness of the school's arts program. She felt that this student awareness gave spirit to the student body. Jodi plans to attend ASU.

About her high school memories Jodi said, "Valley is like a big melting pot with all kinds of people; their knowledge and warmth will always remain with me."

Consider moving from a high school where you were well known and liked, to one where no one had ever heard of you. Well, that was Steve Schank's situation when he transferred from Western to Valley to take advantage of the scholastic opportunities. He contributed his efforts in National Honor Society, Las Vegas Youth Council and most importantly to the VHS band. He has been a member of Honor Band for five years, All State Band for four years, and was honored as one of the two musicians from Nevada to participate in McDonald's All-American Band. His other interests include racquetball, skiing, and basketball.

Melvin Campbell

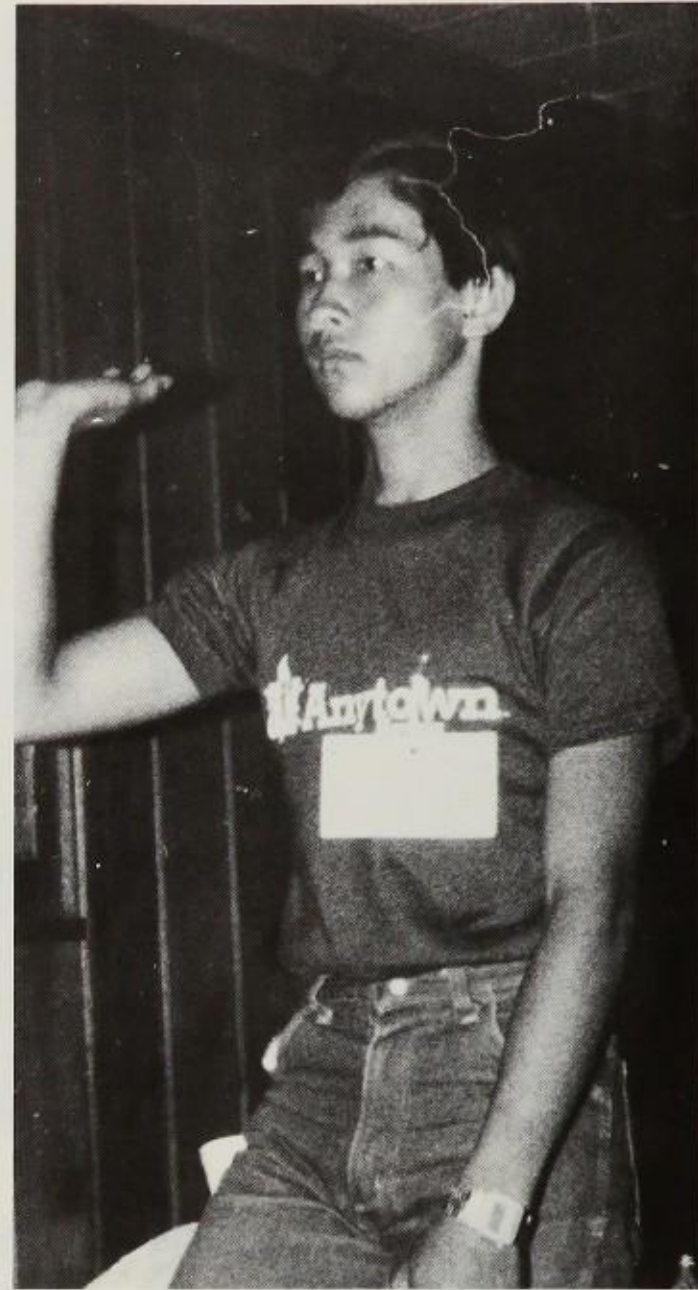

Sonia Church

Besides being a drum major for VHS's band, Melvin Campbell was in the Human Relations Club, National Honor Society, the Mu Alpha Theta Club and the I.B. program. He is also an ICC representative and the vice president of the band. Melvin enjoys Valley because of girls, band, and Mrs. Andree Reed, VHS science teacher. "We're on the top of everything, from sports and academic skills to our I.B. program." Valley High made me feel like I was a vital part of something important, said Melvin.

Sonia Church has worked hard both academically as an I.B. student, and socially as Senior Class Treasurer, Varsity Cheerleader, and a member of Key Club. Sonia participated in numerous theatre-related activities including acting, singing, and dancing. Sonia intends to carry on these interests by remaining active in professional theatre and studying for a career in communications. Although Sonia has experienced a great deal during her high school career, she says that her best memory was of Homecoming '83. Sonia has worked hard to promote spirit at Valley, but she says "The enthusiasm and talent of the students made all my effort worthwhile." Sonia will surely claim a "Name of Fame" for herself in the future.

# Anytown Becomes Our Town

# First Time in Nevada

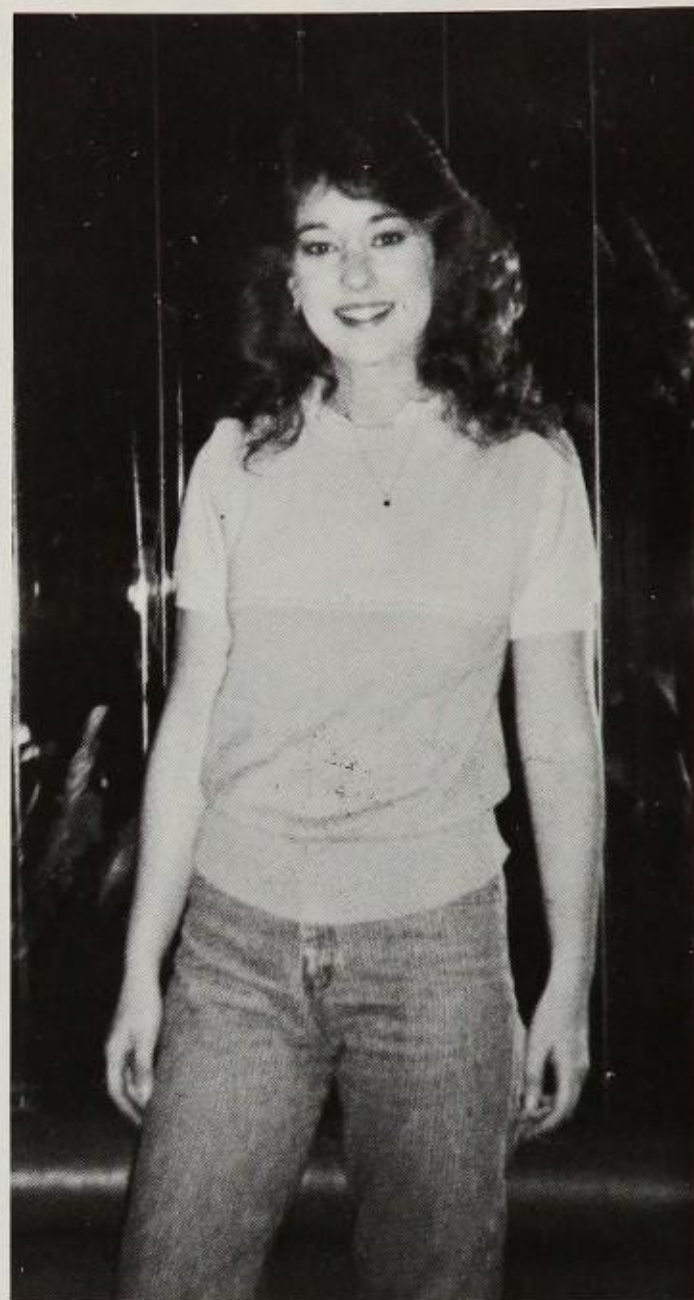

Anytown! Anytown! Whether you're black, white, red or brown, makes no difference when you come down to Anytown! The Anytown experience teaches high school students how to alleviate racial prejudices through a variety of personal experiences. Approximately 112 students from high schools throughout Southern Nevada attended the first Anytown session in Nevada at Lee Canyon.

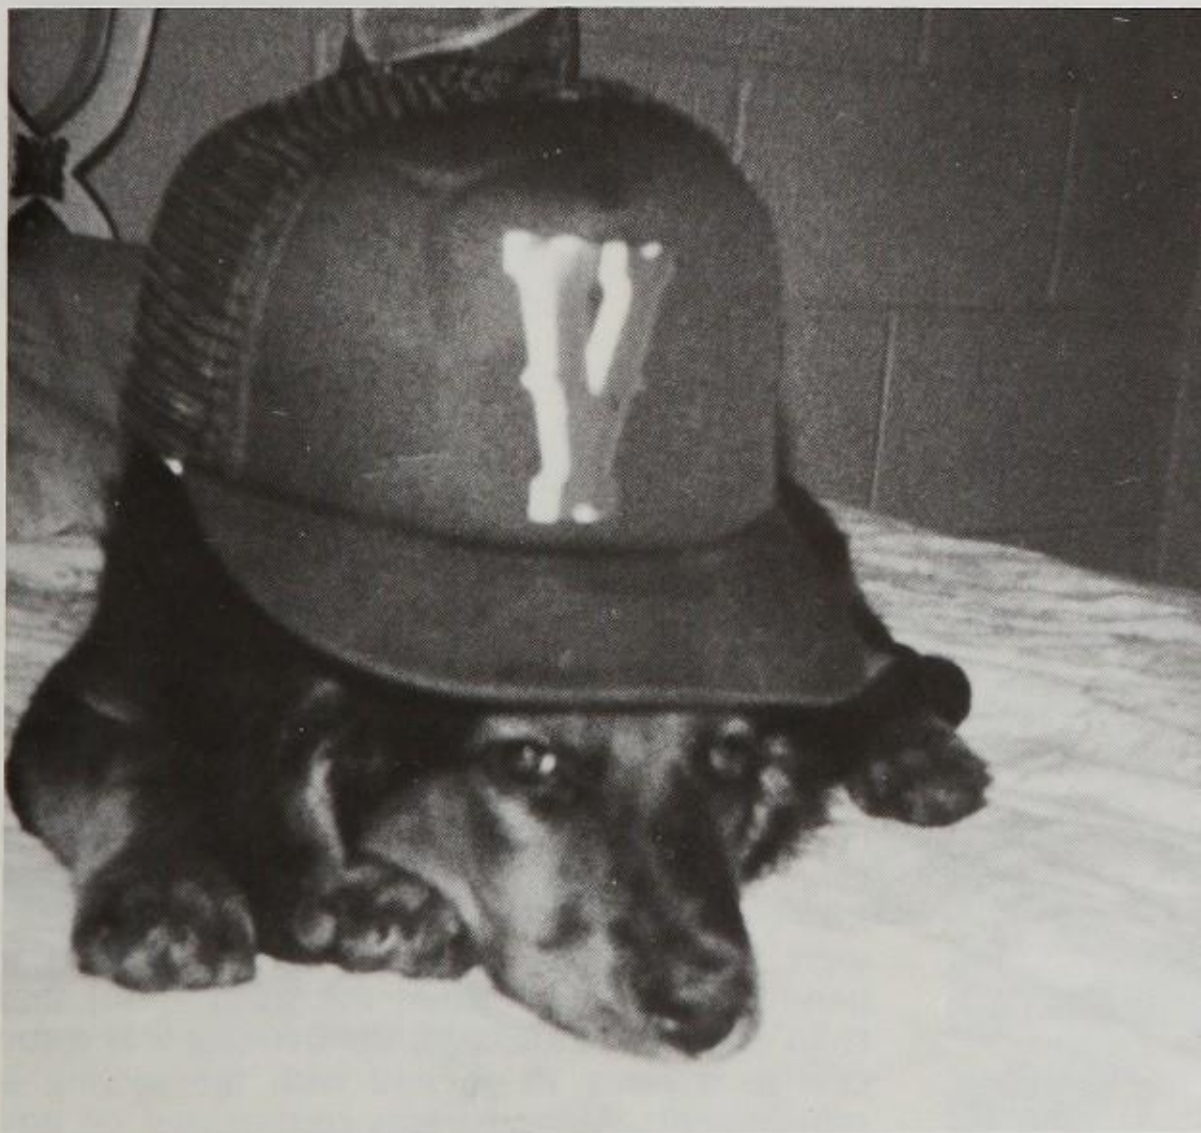

"On the way up to camp on the bus, there was a slight sense of animosity in the air. We were all looking at each other as if we were on the way to attend a national 'geek' & jerk festival. Surprisingly, from the moment we arrived, to the moment we left, there was a total change in everyone's attitudes. Through fireside sings, group discussions and 'free time', we all became a part of each other; it was like one big nonprejudice, totally understanding society. Unfortunately, it had to come to an end. So we packed up and loaded our same items back on to the same buses with the same people — the only difference being that we were now different, changed individuals ...!" — That's what Anytown is all about!

# Valley Opens Doors for Parents

For the first time in six years, Valley High School has once again undertaken the tradition of open house. The activities began on October 26 at 6:30 p.m. with tours of the building and a meeting concerning the International Baccalaureate Program headed by Mr. James Schlude. Representatives from the parents, teacher, student association were actively recruiting new members for the organization throughout the entire program. A presentation was given in the gym by various performing groups. Then at 7:30, parents went to class. They looked more confused than sophomores on the first day of school. At least they didn't have to sign the tardy sheet when they were late to class. Courses were explained to parents, and they learned the truth about their child's behavior. All in all, the evening was a success as it came to an end with the serving of refreshments. Many parents commented on how well the evening went, and they were hopeful that it will once again become an annual event.

# Theatre Arts Presents Plays

The drama department has been working extra hard this year. The three plays that were presented were all sell outs.

**"Butterflies Are Free"** is a play about a blind man's quest for love and freedom. It starred Jack Millis, Margaret Splawn, Jodi Herman, and Jordan Spigel.

**"The Butler Did It"** is a play within a play. It is about a murder which actually turns out to be suicide. This confusing play is a great comedy and mystery, starring Sean Jones, Wade Rockett, Cristy Gonzales, Ronn Stanley, Brad Goodwill, and Nina Soldano.

**"The Lion in Winter"** is a playful comedy about three sons of King Henry of England who want to rule the kingdom. The play stars Jack Millis, Margaret Splawn, Ronn Stanley, Brad Goodwill, Scott Neubauer, Marcelo Echavez, and Debbie Engel.

As you can see the theater is an important part of Valley High School.

# Our Last Words . . .

Making this yearbook has been an experience we will never forget. We the Editors of *Valhalla '84* would like to express our appreciation to the many people who helped us to get *Valhalla* published. Many thanks to third and fifth period publications, the "copy people," Albert and James Photography, and Bob Stephenson. A very special thanks to Pinky, Tish Paula, David, Lana and, of course, Smarsh; how could we ever forget everything you helped us with, mentally and physically, all the sleep you told us to get, and all the sleep you didn't get. Although Denise got Silly, Natile got sick, and Sharon never got smart around deadline weeks, you managed to pull us through. We love you!

### THE TEN DAILY EXERCISES

By George Eiferman

1. A goodbye exercise-see also the perfection in others. See the everlasting beauty in human kindness.
2. A good tongue exercise-speak from the heart instead of the mouth.
3. A good facial exercise-a Smile often repeated.
4. Hearing exercise-When we speak we learn nothing. Listening is the teacher. Then speak.
5. Brain exercise-Think only constructive thoughts. Good reading is to the mind what exercise is to the body.
6. Leg exercise-Walk toward knowledge, wisdom, health and brotherhood of all men.
7. Breathing exercise-Inhale the great works of music, art, literature and philosophy. Exhale spitefulness and other negative thoughts.
8. Strength exercise-Have the strength to endure when things are unendurable, to pass the next test after failing the recent one.
9. Heart exercise-Have the heart to "Constructively" improve Self, our Environment, Community and Country.
10. Soul exercise-We are never alone. Walk with God.
